* Equifax Places is free to use and does not require an Equifax membership.

+ Locking your credit file with Equifax Credit Report Control will prevent access to your Equifax credit file by certain third parties, such as credit grantors or other companies and agencies. Credit Report Control will not prevent access to your credit file at any other credit reporting agency, and will not prevent access to your Equifax credit file by companies like Equifax Personal Solutions which provide you with access to your credit report or credit score or monitor your credit file; Federal, state and local government agencies; companies reviewing your application for employment; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; for fraud detection and prevention purposes; and companies that wish to make pre-approved offers of credit or insurance to you. Requires active subscription to eligible Equifax monitoring product.

++ WebDetect scans thousands of internet sites where consumers' personal information is suspected of being bought and sold, and is constantly adding new sites to those it searches. However, the internet addresses of these suspected internet trading sites are not published and frequently change, so there is no guarantee that WebDetect is able to locate and search every possible internet site where consumers' personal information is at risk of being traded. Requires active subscription to eligible Equifax monitoring product.
