## NaturalShrimp Incorporated Hires Eventus Consulting as New CFO Team

SAN ANTONIO, July 9, 2015 /PRNewswire/ -- NaturalShrimp Incorporated (OTCBB: SHMP) (the "Company"), a global shrimp farming company that has developed a technology to produce fresh, gourmet-grade shrimp reliably and economically in an indoor, re-circulating, saltwater facility announced the engagement of Eventus Consulting, P.C. as the Company's new outside Chief Financial Officer team.

Eventus Consulting, P.C. is a registered CPA firm in Scottsdale, Arizona and is affiliated with Eventus Advisory Group, LLC that provides capitalization planning, consultation on initial public filings, as well as finance department creation, organization, implementation and maintenance (CFO Services) to small and medium sized companies, both public and private. Eventus Advisory Group, LLC offers a wide variety of services that enable its clients to grow and to achieve their financial objectives.

"Eventus will focus on financial reporting and SEC compliance and assist NaturalShrimp securities counsel, Greenberg Traurig, LLP, and audit firm, Turner, Stone & Company, toward a smooth and timely process to manage our public reporting requirements with the SEC," stated NaturalShrimp Incorporated President Gerald Easterling. "Building a solid foundation in our finance department is paramount as we progress as a public company, and Eventus is the right firm for the job."

Neil Reithinger, President of Eventus Advisory Group, LLC, stated, "Managing the accounting and public reporting requirements can often be distracting for an OTC company, and we look forward to working with NaturalShrimp to spearhead that process for them so that they can focus on perfecting their technology and growing their business."

### **About NaturalShrimp Incorporated (OTCQB: SHMP)**

NaturalShrimp is a publically traded Agro-Tech company located near San Antonio, in La Coste Texas. NaturalShrimp has developed and tested the first commercially-viable system for growing shrimp indoors and is expanding current operations. This system uses a proprietary technology to reliably produce healthy, naturally-grown shrimp weekly without the use of antibiotics or toxic chemicals.
