### **About DayDayCook – A Leader in Food Innovation**

Founded in 2012, DayDayCook is a leading content-driven consumer brand offering easy, convenient ready-to-heat, ready-to-cook and ready-to-eat products. The company focuses on innovative and healthy meal solutions with a fast-growing omnichannel sales network in China and the U.S., and through a strong online presence globally. The company's brand portfolio includes its namesake DayDayCook as well as Nona Lim, Yai's Thai, Mengwei and Yujiaweng. The Company builds brand recognition through culinary and lifestyle content across major social media and e-commerce platforms.

### **Forward-Looking Statements**

Certain statements in this announcement are forward-looking statements, including, for example, statements about completing the acquisition, anticipated revenues, growth and expansion. These forward-looking statements involve known and unknown risks and uncertainties and are based on the Company's current expectations and projections about

future events that the Company believes may affect its financial condition, results of operations, business strategy and financial needs. These forward-looking statements are also based on assumptions regarding the Company's present and future business strategies and the environment in which the Company will operate in the future. Investors can find many (but not all) of these statements by the use of words such as "may," "will," "expect," "anticipate," "aim," "estimate," "intend," "plan," "believe," "likely to" or other similar expressions. The Company undertakes no obligation to update or revise publicly any forward-looking statements to reflect subsequent occurring events or circumstances, or changes in its expectations, except as may be required by law. Although the Company believes that the expectations expressed in these forward-looking statements are reasonable, it cannot assure you that such expectations will turn out to be correct, and the Company cautions investors that actual results may differ materially from the anticipated results and encourages investors to review other factors that may affect its future results in the Company's registration statement and other filings with the SEC.
