Critical Infrastructure Partnerships

During the past month, DDC fortified its operational foundation through partnerships with premier digital asset institutions including QCP Capital, Galaxy Digital, and Matrixport. These collaborations expand DDC's capabilities in trading efficiency, secure custody, and Bitcoin yield enhancement – core pillars of its treasury strategy.

Reaffirming Ambitious Treasury Targets

"Today's announcement of our recent acquisition of 120 BTC signals our disciplined approach to scaling DDC's Bitcoin treasury," said Norma Chu, Founder, Chairwoman, and CEO of DDC. "While we paused purchases to strengthen our operational infrastructure, our vision remains unwavering: 10,000 BTC by end-2025 and a position among the world's top three public Bitcoin treasury companies within three years. Our new partnerships ensure we execute this mission with institutional-grade efficiency and security."
