# PAVmed Chairman & CEO Lishan Aklog, M.D. Named to Savoy's 2022 Most Influential Black Executives in Corporate America

NEW YORK--(BUSINESS WIRE)-- [PAVmed Inc.](#) (Nasdaq: PAVM, PAVMZ) ("PAVmed"), a diversified commercial-stage medical technology company operating in the medical device, diagnostics, and digital health sectors, today announced that its Chairman & Chief Executive Officer [Lishan Aklog, M.D.](#) was selected as one of the *Most Influential Black Executives in Corporate America* in 2022 by [Savoy](#), the leading African American business and lifestyle magazine.

"I would like to thank L.P. Green II and his team at Savoy for this honor," said Dr. Aklog. "I am incredibly fortunate to lead a growing team of the best and brightest, who all share a passion to serve patients through technology. I am especially honored to be mentioned among such an esteemed group of Black corporate leaders, including pioneering figures who battled structural inequities and biases to reach the pinnacle of corporate America, while serving as an inspiration to me and so many others."

"Savoy is proud to present the *2022 Most Influential Black Executives in Corporate America*. In this issue, we assembled an elite representation of African American men and women who have been recognized for their executive and business leadership in national and global-leading corporations," said L.P. Green, II, Publisher of Savoy magazine. "These innovative trailblazers have led efforts to foster growth for some of the country's highest-performing companies throughout and beyond the US market."

According to *Savoy*, the selection of the *Most Influential Black Executives in Corporate America* begins by examining the landscape of spheres of influence impacting *Savoy's* readership. Over 500 prospective candidates in diverse fields were pre-screened by the selection committee. The field of candidates was narrowed based upon their exemplary record of accomplishments and influence while working to better their community and inspire others.

## About PAVmed

PAVmed Inc. is a diversified commercial-stage medical technology company operating in the medical device, diagnostics, and digital health sectors. Its major subsidiary, Lucid Diagnostics Inc. (Nasdaq: LUCD) is a commercial-stage cancer prevention medical diagnostics company which markets the EsoGuard<sup>®</sup> Esophageal DNA Test and EsoCheck<sup>®</sup> Esophageal Cell Collection Device—the first and only commercial tools for widespread early detection of esophageal precancer to prevent esophageal cancer deaths. Lucid operates its own CLIA-certified, CAP-approved molecular diagnostic laboratory, LucidDx Labs and a

network of Lucid Test Centers. Another major subsidiary, Veris Health Inc., is a digital health company focused on enhanced personalized cancer care through remote patient monitoring using implantable biologic sensors with wireless communication along with a custom suite of connected external devices. The product pipeline also includes the Carpx<sup>®</sup> Minimally Invasive Device for Carpal Tunnel Syndrome, EsoCure<sup>™</sup> Esophageal Ablation Device with Caldu<sup>™</sup> Technology, which complements EsoGuard and EsoCheck, NextFlo<sup>™</sup> Intravenous Infusion Set, PortIO<sup>™</sup> Implantable Intraosseous Vascular Access Device, and other earlier stage technologies. ### **Forward-Looking Statements**

This press release includes forward-looking statements that involve risk and uncertainties. Forward-looking statements are any statements that are not historical facts. Such forward-looking statements, which are based upon the current beliefs and expectations of PAVmed's and Lucid's management, are subject to risks and uncertainties, which could cause actual results to differ from the forward-looking statements. Risks and uncertainties that may cause such differences include, among other things, volatility in the price of PAVmed's and Lucid's common stock; PAVmed's Series W and Series Z warrants; general economic and market conditions; the uncertainties inherent in research and development, including the cost and time required to advance PAVmed's and Lucid's products to regulatory submission; whether regulatory authorities will be satisfied with the design of and results from PAVmed's and Lucid's clinical and preclinical studies; whether and when PAVmed's and Lucid's products are cleared by regulatory authorities; market acceptance of PAVmed's and Lucid's products once cleared and commercialized; PAVmed's and Lucid's ability to raise additional funding as needed; and other competitive developments. In addition, PAVmed and Lucid have been monitoring the COVID-19 pandemic and the pandemic's impact on PAVmed's and Lucid's businesses. PAVmed and Lucid expect the significance of the COVID-19 pandemic, including the extent of its effect on its financial and operational results, to be dictated by, among other things, the success of efforts to contain the pandemic and the impact of such efforts on PAVmed's and Lucid's businesses. These factors are difficult or impossible to predict accurately and many of them are beyond PAVmed's and Lucid's control. In addition, new risks and uncertainties may arise from time to time and are difficult to predict. For a further list and description of these and other important risks and uncertainties that may affect PAVmed's and Lucid's future operations, see Part I, Item IA, "Risk Factors," in PAVmed's and Lucid's most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission, as the same may be updated in Part II, Item 1A, "Risk Factors" in any Quarterly Report on Form 10-Q filed by PAVmed or Lucid, as applicable, after its most recent Annual Report and Lucid's Registration Statement No. 333-259721 filed with the Securities and Exchange Commission. PAVmed and Lucid disclaim any intention or obligation to publicly update or revise any forward-looking statement to reflect any change in its expectations or in events, conditions, or circumstances on which those expectations may be based, or that may affect the likelihood that actual results will differ from those contained in the forward-looking statements.
