Navidea Biopharmaceuticals to Ring Opening Bell at the New York Stock Exchange

DUBLIN, Ohio--(BUSINESS WIRE)-- Navidea Biopharmaceuticals, Inc. (NYSE American: NAVB) ("Navidea" or the "Company"), a company focused on the development of precision immunodiagnostic agents and immunotherapeutics, today announced that members of Navidea's executive leadership team and Board of Directors will ring The Opening Bell® at the New York Stock Exchange (NYSE) on Tuesday, September 29, 2020.

"This is a very proud day for the Navidea team as we approach the launch of the next phase of our clinical trials. The progress of our clinical development programs is a tribute to not only the versatility of our technology, but our people. We look forward to continuing this momentum as we head into the later part of this year," said Jed Latkin, CEO of Navidea.

In addition to live television coverage of the ceremony, the New York Stock Exchange will stream the Opening Bell® ringing on its website: <https://www.nyse.com/bell>. The bell ringing is scheduled for 9:26 AM – 9:30 AM E.T. A video of the bell ringing will also be archived on the same page after the livestream.

About Navidea

Navidea Biopharmaceuticals, Inc. (NYSE American: NAVB) is a biopharmaceutical company focused on the development of precision immunodiagnostic agents and immunotherapeutics. Navidea is developing multiple precision-targeted products based on its Manocept™ platform to enhance patient care by identifying the sites and pathways of disease and enable better diagnostic accuracy, clinical decision-making, and targeted treatment. Navidea's Manocept platform is predicated on the ability to specifically target the CD206 mannose receptor expressed on activated macrophages. The Manocept platform serves as the molecular backbone of Tc99m tilmanocept, the first product developed and commercialized by Navidea based on the platform. Navidea's strategy is to deliver superior growth and shareholder return by bringing to market novel products and advancing the Company's pipeline through global partnering and commercialization efforts.
