Sunrun Statement on Multi-Year Extension of the Solar Investment Tax Credit

SAN FRANCISCO, Dec. 18, 2015 (GLOBE NEWSWIRE) -- Today, the President signed the omnibus spending bill that includes a multi-year extension of the solar Investment Tax Credit.

Lynn Jurich, Chief Executive Officer of Sunrun, released the following statement:

“We thank leaders from both parties who came together to provide bi-partisan support that levels the playing field for solar and protects energy choice for consumers. We’re pleased that Sunrun can continue our mission of creating a planet run by the sun."
