The Coretec Group Announces Upgrade to OTCQB Venture Market

The Company will return to the OTCQB venture market for the first time since its merger with 3DIcon, marking a significant milestone for the Company

ANN ARBOR, MI / ACCESSWIRE / October 29, 2020 /The Coretec Group, Inc., (OTCQB:CRTG) (the "Company"), a company developing a portfolio of silicon-based materials utilizing Cyclohexasilane ("CHS") to pursue commercial development of products in energy-focused verticals, today announced that it has been approved and will begin trading on the OTCQB venture market as of October 29th, 2020.

The OTCQB Venture Market is a premier market for entrepreneurial and development stage U.S. and international companies that are committed to providing investors with high-quality trading and improved market visibility. To be eligible, companies must be current in their financial reporting to the SEC, pass a minimum bid price test, and undergo an annual company audit, verification and management certification process.

OTCQB equities are traded through OTC Link®, an inter-dealer quotation and trading messaging system developed by OTC Markets Group. Subscribing broker-dealers can view and publish quotes and negotiate trades through its SEC-registered Alternative Trading System.

"We are pleased to have The Coretec Group back on the OTCQB Venture Market, a key milestone that we believe reflects our commitment to current and transparent SEC financial reporting and OTC certifications, and most importantly, our continued effort to accelerate the Company's progress," said Michael Kraft, Chief Executive Officer of The Coretec Group. "Our return to the OTCQB Venture Market, where our prior equity listing 3DIcon was traded for years, enables Coretec shares to be handled by more broker dealers, and thus increases visibility to a broader security holder base, providing simplified access to all those seeking to invest in the Company."

The move of Cortec's equities from OTC Pink to OTCQB will not impact or require additional action from shareholders. The stock continues to trade on OTC but now will be accessible through the middle-tier OTC offering.
