Mobile Infrastructure to Present at Sidoti Micro Cap Virtual Conference on November 14

CINCINNATI--(BUSINESS WIRE)-- Mobile Infrastructure Corporation (NYSE American: BEEP), one of the largest institutional-quality, mobility-focused parking asset owners in the United States, today announced that Stephanie Hogue, President, will present and host one-on-one investor meetings at the Sidoti Micro Cap Virtual Conference taking place on November 13-14, 2024.

The presentation will be at 10:45am ET on Thursday, November 14. Ms. Hogue will also host virtual one-on-one meetings with investors that same day. Interested parties can access the live presentation webcast at https://sidoti.zoom.us/webinar/register/WN_t2IJ041cRoGrQkgqMMISmw. To register for a one-on-one meeting, please visit www.sidoti.com/events. Registration is free and it is not necessary to be a Sidoti client.

About Mobile Infrastructure Corporation

Mobile Infrastructure is the only publicly traded company in the United States focused exclusively on the ownership and optimization of parking assets across the United States. Mobile invests primarily in parking lots and garages and relies on in-house expertise and technologies to optimize asset utilization. Mobile is an industry leader in positioning central business district parking facilities as micro-mobility hubs. As of September 30, 2024, Mobile owned 41 parking facilities in 20 separate markets throughout the United States, with a total of 15,300 parking spaces and approximately 5.2 million square feet. The Company also owns approximately 0.2 million square feet of retail/commercial space adjacent to its parking facilities. Learn more at www.mobileit.com.
