# WiSA Announces the Launch of the Monaco 5.1 Plus Axiim LINK System, An Immersive Wireless Home Audio System from Platin, Tuned by THX

*Supports Xbox One and All WiSA Ready Devices with High-Resolution Sound for Games, Movies and More with Multi-Channel, Multi Speaker Audio*

SAN JOSE, Calif.--(BUSINESS WIRE)-- [WiSA® LLC](#), the Wireless Speaker Audio Association, founded by [Summit Wireless Technologies, Inc.](#) (NASDAQ: WISA), today announced an updated edition of the successful Tuned by THX™ [Monaco 5.1](#) Immersive Wireless Home Audio System™ from Platin—now bundled with the Axiim LINK Wireless Audio Transmitter. The new **Monaco 5.1 Plus Axiim LINK System** gives users even greater options to not only connect the Monaco 5.1 System to any WiSA Ready™\* 2019 LG OLED or NanoCell TV, but to Xbox One systems (all models), Windows 10 PCs and Macs as well. It is available now at [Amazon](#) for a special holiday promotional price of \$799.99—for a savings of \$200.00 off of the original list price.

The **Monaco 5.1 Plus Axiim LINK System** delivers immersive, theater-quality experiences through the widely adopted WiSA audio standard, as well as its Tuned by THX calibrations that maximize the system's audio performance. In this updated edition featuring the Axiim LINK, users can take full advantage of enhanced tuning capabilities, including EQ, channel trim and bass management. For Xbox players and esports enthusiasts in particular, this significantly heightens the surround sound experience to pull gamers even deeper into the action within the ultimate, wireless home entertainment environment.

"By including the Axiim LINK in this updated product SKU, audio enthusiasts have even more options to connect to the full range of Xbox One consoles and all WiSA Ready sources," said Tony Ostrom, president of WiSA. "Gaming experiences are also tremendously enhanced when incorporating the high-resolution sound that the updated Monaco 5.1 Plus Axiim LINK System provides. Gamers and entertainment enthusiasts alike will appreciate this impressive, wireless home audio system for seamless compatibility and concert-quality sound at an appealing price point for the holidays."

The **Monaco 5.1 Plus Axiim LINK System** provides the following new features:

- Inclusion of the Axiim LINK for connecting to all WiSA Ready sources, all Xbox One consoles, Windows 10 PCs and Macs
- Free Axiim LINK mobile app for iOS and Android provides complete control. The app's advanced features allow users to adjust volume trim on each independent speaker,

adjust EQ settings and more

- Special holiday offer provides \$200 off with digital coupon available at purchase on Amazon

Standard features include:

- Tuned by THX™ to verify the system has been calibrated for maximum audio quality
- Wirelessly streams, immersive, 5.1 High-Resolution Audio
- Uncompressed, 24-bit, 48 kHz quality, better than MP3 and CD
- Less than 5.2 millisecond latency for picture-perfect lip sync
- One microsecond synchronization between speakers for amazing accuracy and clarity
- Setup in minutes, not hours

THX is dedicated to providing consumers access to great entertainment experiences, regardless of the environment and medium of consumption. The Platin Monaco 5.1 Immersive Wireless Home Audio System has been Tuned by THX to deliver an improved audio experience. THX has worked with Summit Wireless and WiSA engineers to create a set of high-accuracy filters and functionality within the Rx (wireless receiver) modules to provide the manufacturer with advanced loudspeaker tuning capabilities.

All WiSA Ready and WiSA Certified components work together seamlessly to deliver wireless, multi-channel audio capabilities and authentic concert and theater-quality sound that dramatically increases the enjoyment of movies and video, music, sports, gaming/esports, and more. As a result, consumers can expect a reliable and superior experience, but unlike traditional audio systems, set up is simple and takes just minutes, even for multi-channel setups.

### **About WiSA, LLC**

WiSA, the (Wireless Speaker and Audio) Association is a consumer electronics consortium dedicated to creating interoperability standards utilized by leading brands and manufacturers to deliver immersive sound via intelligent devices. WiSA Certified components from any member brand can be combined to dramatically increase the enjoyment of movies and video, music, sports, gaming/esports, and more. WiSA also ensures robust, high resolution, multi-channel, low latency audio while eliminating the complicated set-up of traditional audio systems.
