

Dynatrace Recognized as a Customers' Choice in the 2025 Gartner® Peer Insights™ Voice of the Customer for Observability Platforms Report

Dynatrace is dedicated to supporting global enterprises in achieving greater operational resilience and reliability

BOSTON--(BUSINESS WIRE)-- [Dynatrace](#) (NYSE: DT), the leading AI-powered observability platform, has been named a Customers' Choice in the 2025 Gartner Peer Insights™ Voice of the Customer for Observability Platforms report. Gartner Peer Insights recognizes vendors that meet or exceed both the market average for both axes (User Interest and Adoption, and Overall Experience). A complimentary copy of the report is available [here](#).

According to Gartner, The Voice of the Customer report “synthesizes Gartner Peer Insights” for buyers of technology and services. This aggregated peer perspective, along with the individual detailed reviews, is complementary to Gartner for expert research and can play a key role in your buying process. Peers are verified reviewers of a technology product or service, who not only rate the offering, but also provide valuable feedback to consider before making a purchase decision.”

Within the Observability Platforms Report, customers rated Dynatrace product capabilities 4.7 out of 5.0 stars, with 93% saying they would recommend Dynatrace solutions. Reviews were received in the 18-month period ending October 31, 2025. Dynatrace [reviews](#) in the report include the following:

- “[Best-in-Class observability platform for modern architectures](#).” ~Senior Product Manager
- “[Shortest time to AI-based insights](#)... Amazing time to value with granular details. Davis AI implemented at the heart makes [it] much easier to identify issues.” ~APM Professional
- “[Provides deep monitoring for application and infrastructure and integrates with CI/CD](#).” ~VP, Engineering
- “[On top of all the technical capabilities, the customer support from Dynatrace is above all expectations](#).” ~Director of Procurement
- “[Dynatrace is an exceptional platform...](#) Excellent link logs, metrics and traces empower us to effectively identify the root cause of issues, reducing mean time to resolution and maintaining ideal application performance.” ~Network and Security Engineer

“We’re honored that Dynatrace has been recognized as a Customers' Choice in the 2025 Gartner Peer Insights Voice of the Customer for Observability Platforms,” said Steve Tack,

Chief Product Officer at Dynatrace. “As agentic AI transforms how enterprises operate; the complexity of digital environments continues to grow exponentially. Our customers require solutions that go beyond traditional observability and provide in-depth insights and confidence, enabling them to drive greater resilience and innovation. In our opinion, this recognition reflects our ongoing commitment to meeting that need.”

In 2025, Gartner also named Dynatrace a Leader in the Magic Quadrant™ for Observability Platforms for the 15th consecutive time, with the highest position for Ability to Execute.
