

MAXIMUS Contact Center Operations in Georgia, Illinois, Indiana, Michigan and Vermont Achieve Recognition as Centers of Excellence

RESTON, Va.--(BUSINESS WIRE)-- MAXIMUS (NYSE: MMS), a leading provider of government services worldwide, announced today that six of its U.S. customer contact centers have been recognized as "Certified Centers of Excellence" by BenchmarkPortal. These recognized customer contact centers provide support for Georgia Health Services for Families, Georgia Child Care and Parent Services (GACAPS), Illinois Modification and Employer Services, Indiana Enrollment Broker Services (EBS), Michigan Enrollment Broker Services (EBS) and Vermont Green Mountain Care Member Services.

The MAXIMUS customer contact centers achieved the Center of Excellence distinction based on best practice metrics drawn from the world's largest database of objective and quantitative performance data from thousands of contact centers. Performance data collected from all six MAXIMUS contact centers achieved BenchmarkPortal's objective and quantitative criteria in areas such as operational efficiency, service-level standards, customer satisfaction and employee training. Georgia Health Services for Families and GACAPS have now received certification for five and four consecutive years, respectively. Indiana EBS, Michigan EBS and Vermont Green Mountain Care Member Services have now been certified for three consecutive years. This is the first certification for Illinois Modification and Employer Services.

"We are committed to delivering high-quality services to our government clients and the citizens we serve," said Bruce Caswell, MAXIMUS President. "These customer contact centers have been certified and recertified by BenchmarkPortal, which validates our projects' superior levels of efficiency and commitment to providing accurate, reliable information in a friendly and helpful manner."
