## **Deluxe Expands Relationship with Peoples Bank Through Integrated Payments and Treasury Partnership**

MINNEAPOLIS--(BUSINESS WIRE)-- Deluxe (NYSE: DLX), a trusted Payments and Data company, today announced an expanded partnership with Peoples Bank, a \$9.5 billion financial institution headquartered in Marietta, Ohio. This new engagement will deliver integrated Merchant Services, further strengthening a relationship built on shared values of innovation, service, and community impact.

Over the past year, Peoples Bank has been deepening its relationship with Deluxe, choosing to place a portion of its promotional business with Deluxe in January, its check business in March, and now its Merchant Services offerings. This progression reflects the power of One Deluxe, with cross-functional teams coming together to deliver a unified, enterprise-grade experience that supports the bank's commercial client strategy.

By partnering with Deluxe, Peoples Bank continues to transform transactional services into strategic assets that strengthen customer loyalty, improve operational efficiency, and drive non-interest income.

"Peoples Bank is a highly engaged Deluxe client, and this expanded partnership is a great example of what's possible when we bring our teams together to solve for the full picture," said Brian Mahony, President of Merchant Services at Deluxe.

"Deluxe continues to be a trusted partner for Peoples Bank, and this expanded engagement reflects our shared commitment to providing business clients with forward-thinking solutions," said Rich Vaughan, EVP, Retail & Business Banking at Peoples Bank. "We appreciate Deluxe's collaborative approach and the way they brought their team together to understand our goals and deliver a plan that supports our vision."
