Discussion of Operations for three months ended March 31, 2019

The Company's net loss for the three months ended March 31, 2019 was \$8,737,254 (Three months ended December 31, 2018 – \$6,165,034), with a basic and diluted loss per share of \$0.12 and \$0.09, respectively.

Revenues for the three months ended March 31, 2019 were \$2,090,977 (Three months ended December 31, 2018 of \$891,677). The Q1 2019 revenues included full quarter revenues from both clinics and cosmeceutical sales, whereas the Q4 2018 revenues only recognized revenues part way through the reporting period. Financial results from the Company during the first quarter 2019 demonstrates demand from the clinics business and is consistent with management's view and outlook for the business. The Company also continues to establish distribution channels for its Kuida brand of products, which is anticipated to generate additional revenues in subsequent quarters.

Cost of sales for the three months ended March 31, 2019 were \$1,678,219 (Three months ended December 31, 2018 of \$594,313). Cost of sales relates to both materials and labour associated with the sale of products and provision of services during the year.

Operating expenses for the three months ended March 31, 2019 were \$8,370,482 (December 31, 2018 – \$6,165,034).

Management Commentary

Alvaro Torres, Khiron CEO and Director, commented: "The Company is pleased to report significant progress during the Q1 financial reporting period. Specifically, this includes the signing of agreements to enter three new markets, increasing cultivation capacity in Latin America to a second jurisdiction, establishing a US joint venture with Dixie Brands, and attracting additional capital. These achievements form important milestones relating to the expansion of supply, distribution channels and the capital necessary to execute our business plan. We continue to execute on our stated strategy to be an integrated cannabis leader in Latin America and, leverage this expertise, as we identify global market opportunities where we believe Khiron has a competitive advantage."

About Khiron Life Sciences Corp.

Khiron Life Sciences Corp. is positioned to be the dominant integrated cannabis company in Latin America. Khiron has core operations in Latin America and is fully licensed in Colombia for the cultivation, production, domestic distribution, and international export of both tetrahydrocannabinol (THC) and cannabidiol (CBD) medical cannabis. In May 2018, Khiron listed on the TSXV, becoming the first Colombian based medical cannabis company to trade on any exchange globally.

With a focused regional strategy and patient oriented approach, the Company combines

global scientific expertise, agricultural advantages, branded product market entrance experience and education to drive prescription and brand loyalty to address priority medical conditions such as chronic pain, epilepsy, depression and anxiety in the Latin American market of over 620 million people. The Company is led by Co-founder and Chief Executive Officer, Alvaro Torres, together with an experienced executive team, and a knowledgeable Board of Directors that includes former President of Mexico, Vicente Fox.
