Inogen Announces Investor/Analyst Day and Webcast

GOLETA, Calif.--(BUSINESS WIRE)-- [Inogen, Inc.](#) (NASDAQ: [INGN](#)), a medical technology company offering innovative respiratory products for use in the homecare setting, today announced it will host an institutional investor and analyst meeting on Tuesday, June 7, 2016 in Los Angeles, CA, from 1:00 p.m. to 3:30 p.m. PT. The meeting will include presentations from company executives and Vernon Pertelle, President and CEO of StratiHealth and President and Executive Director of Pulmonary Horizons Health, an industry expert in homecare respiratory therapy.

Inogen will host a live webcast of the meeting in its entirety to provide access to all interested shareholders and investors. The webcast will begin at 1:00 p.m. PT and can be accessed on the Investor section of the Inogen website at www.inogen.com/investor. Slides from the meeting will be available to those viewing the webcast. Within two hours, a replay of the webcast including presentation slides will be available and archived for one year.

Institutional investors seeking more information about the meeting should contact Sarah Twigg by e-mail at sarah.twigg@westwicke.com or by phone at +1-443-450-4187.
