

Company Overview

Gulf Island is a leading fabricator of complex steel structures, modules and marine vessels used in energy extraction and production, petrochemical and industrial facilities, power generation, alternative energy and shipping and marine transportation operations. We also provide project management, hookup, commissioning, repair, maintenance and civil construction services. We operate and manage our business through three operating divisions: Fabrication, Shipyard and Services, with our corporate headquarters located in Houston, Texas, and fabrication facilities located in Houma, Jennings and Lake Charles, Louisiana.
