essential. We are committed to making TrueBlue an exceptional place to work and Andrea's work is a big part of that," said Patrick Beharelle, TrueBlue's CEO. "It is great to see this recognition of our HR strategy as we strive to connect people and work and to be a force for good in the communities that we serve."

Brogger has been with TrueBlue since 2011. She is responsible for empowering TrueBlue's 5,100 global employees to achieve the company's mission of connecting people and work. Brogger was named the company's chief people officer in 2020. Prior to her current role, she served as the vice president of global talent and culture at TrueBlue, where she spearheaded multiple employee engagement programs for the company's global workforce,

with a particular focus on teams working remotely.

Before joining TrueBlue, Brogger most recently worked for Microsoft. She holds a master's degree in business administration and an executive master's degree in human resources management from Cornell University.
