Important Legal Information

This presentation contains forward-looking statements. All statements contained in this presentation other than statements of historical fact, including statements regarding our future operating results and financial position, our business strategy and plans, our market growth and trends, and our objectives for future operations, are forward-looking statements. The words “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” “could,” “would,” “project,” “plan,” “potentially,” “preliminary,” “likely,” and similar expressions are intended to identify forward-looking statements. We have based these forward-looking statements largely on our current expectations and projections about future events and trends that we believe may affect our financial condition, results of operations, business strategy, short-term and long-term business operations and objectives, and financial needs.

These forward-looking statements are subject to a number of risks, uncertainties, and assumptions, including those described under Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2022, which is available on our Investor Relations website at http://investors.redfin.com. Moreover, we operate in a very competitive and rapidly changing environment. New risks emerge from time to time. It is not possible for our management to predict all risks, nor can we assess the effect of all factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements we may make.

In light of these risks, uncertainties, and assumptions, the future events and trends discussed in this presentation may not occur and actual results could differ materially and adversely from those anticipated or implied in the forward-looking statements. Accordingly, you should not rely on forward-looking statements as predictions of future events. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee that the future results, performance, or events and circumstances reflected in the forward-looking statements will be achieved or occur. We undertake no obligation to update any of these forward-looking statements for any reason after the date of this presentation or to conform these statements to actual results or revised expectations.

This presentation also contains information using industry publications that generally state that the information contained therein has been obtained from sources believed to be reliable, but such information may not be accurate or complete. While we are not aware of any misstatements regarding the information from these industry publications, we have not independently verified any of the data from third-party sources nor have we ascertained the underlying economic assumptions relied on therein.

Key milestones
1. Added rentals in April 2021 with the acquisition of Rent. (formerly RentPath); purchased out of bankruptcy
2. New leadership, Jon Ziglar, joined as CEO in August 2021
3. Added rentals listings to Redfin.com in March 2022
4. Relaunched as “Rent.” in June 2022 with a renewed focus on the full product suite and go-to-market strategy
5. From September 2021 to September 2022, sales productivity more than doubled
6. Posted year-over-year revenue growth in Q4 2022, the businesses’ first quarterly-year-over-year revenue growth in years
Path to Profitability

1. Elimination of the buy-side refund
   Eliminated the refund we provided to homebuyers effective December 1, 2022.

2. Right sizing the business
   Implemented two workforce reductions in June and November 2022 to match brokerage staff with demand and lower operating expense.

3. Winding down RedfinNow
   Announced the closure of RedfinNow in November 2022 - a strategic decision to focus our resources on our core businesses.

4. Business momentum
   Expect stabilizing market conditions and operational momentum to be a tailwind for our rentals and mortgage segments.

5. Traffic monetization
   Developing additional ways to monetize our audience including better leveraging our partner network, mortgage marketplace and display ads.
