# HireRight Honored as 2007 Outstanding Private Company in AeA's 14th Annual High-Tech Innovation Awards

IRVINE, Calif.--(BUSINESS WIRE)--

HireRight, a leader in on-demand employment screening, was honored as the 2007 Outstanding Private Company at AeA's 14th Annual High-Tech Innovation Awards. The High-Tech Innovation Awards were presented by the Orange County and Inland Empire Council of AeA on May 10th, honoring Southern California's top innovators in technology and education. This is the second time in four years that HireRight has won the Outstanding Private Company award.

"We are sincerely honored to be named Outstanding Private Company of the Year by AeA. This is truly a testament to the talent and dedication of the entire HireRight team," said Eric Boden, Chairman and CEO, HireRight. "This award is also an acknowledgement of our commitment to technology innovation in delivering our employment background and drug screening solutions, and it's gratifying to have our efforts recognized."

The 14th Annual High-Tech Innovation Awards were presented at the Fairmont Hotel in Newport Beach on May 10th. AeA set record levels for nominations and attendance with more than 125 nominations received, 20 innovators recognized, and nearly 600 guests at the awards ceremony.

"AeA received a record number of nominations and the level of innovation was truly impressive," said Tim Jemal, AeA executive director for Orange County and the Inland Empire. "AeA congratulates HireRight and its employees for being selected as Outstanding Private Company of the Year."
