HIRE RIGHT®

HireRight Solution Achieves SAP-Certified Integration with SAP® SuccessFactors® Recruiting Solutions

IRVINE, Calif.--(BUSINESS WIRE)-- HireRight, a leading provider of global employment background checks, drug testing, education verification and electronic Form I-9 and E-Verify solutions, today announced that its HireRight Integration for Global Background Screening and Drug Testing solution 1.0 has achieved SAP-certified integration with SAP® SuccessFactors® Recruiting solutions.

The SAP Integration and Certification Center (SAP ICC) has certified that HireRight's solution for global background screening and drug testing integrates with the SAP SuccessFactors Recruiting solutions, using standard integration technologies that support quick and easy implementation.

The integrated solution helps organizations consolidate critical recruiting and background screening requirements with SAP SuccessFactors Recruiting. Users can access, manage and order HireRight background screening and drug testing services directly from within SAP SuccessFactors Recruiting, resulting in maximum control and efficiency, accurate data collection, fast verification speed, candidate transparency and better quality of hires.

"Customer and candidate experience is a priority for HireRight, and we believe partnerships such as this one enable us to continue to elevate that experience," said Jurgen Leijdekker, chief executive officer at HireRight. *"Our certified integration with SAP SuccessFactors Recruiting provides our customers a streamlined platform that allows them to quickly and efficiently manage their screening program."*

*"We are very excited about this partnership,"*said Michael Briggs, vice president of business development at HireRight. *"When competing to hire and onboard qualified applicants, time is critical; our solution integrated with SAP SuccessFactors Recruiting helps employers fill positions more rapidly and improves the candidate and recruiter experience."*

HireRight is a member of the SAP PartnerEdge® program. Its solution is listed on the SAP® App Center, the digital marketplace for SAP partner offerings. The SAP App Center provides customers with access to more than 1,500 partner solutions that complement and extend their SAP solutions, enabling digital transformation of their business.
