About SeeThruEquity

Since its founding in 2011, SeeThruEquity has been committed to its core mission: providing impactful, high quality research on underfollowed smallcap and microcap equities. SeeThruEquity has pioneered an innovative business model for equity research that is not paid for and is unbiased. SeeThruEquity is the host of acclaimed investor conferences that are the ultimate event for publicly traded companies with market capitalizations less than \$1 billion.

SeeThruEquity is approved to contribute its research reports and estimates to Thomson One Analytics (First Call), the leading estimates platform on Wall Street, as well as Capital IQ and FactSet. SeeThruEquity maintains one of the industry's most extensive databases of opt-in

institutional and high net worth investors. The firm is headquartered in Midtown Manhattan in New York City.

About ITUS Corporation

[ITUS](#), a cancer-focused biotechnology company, through its wholly owned subsidiary, Anixa Diagnostics Corporation, is developing the Cchek™ platform, a series of non-invasive blood tests for the early detection of solid tumor based cancers, which is based on the body's immunological response to the presence of a malignancy. ITUS also continually examines emerging technologies in complementary or related fields for further development and commercialization. Additional information is available at www.ITUScorp.com.

Forward-Looking Statements: Statements that are not historical fact may be considered forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are not statements of historical facts, but rather reflect ITUS Corporation's current expectations concerning future events and results. We generally use the words "believes," "expects," "intends," "plans," "anticipates," "likely," "will" and similar expressions to identify forward-looking statements. Such forward-looking statements, including those concerning our expectations, involve risks, uncertainties and other factors, some of which are beyond our control, which may cause our actual results, performance or achievements, or industry results, to be materially different from any future results, performance, or achievements expressed or implied by such forward-looking statements. These risks, uncertainties and factors include, but are not limited to, those factors set forth in "Item 1A - Risk Factors" and other sections of our most recent Annual Report on Form 10-K as well as in our Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law. You are cautioned not to unduly rely on such forward-looking statements when evaluating the information presented in this press release.
