Fortive and Ralliant to Webcast Investor Days

EVERETT, Wash.--(BUSINESS WIRE)-- In connection with the pending separation of Ralliant Corporation ("Ralliant") on June 28, 2025, Fortive Corporation ("Fortive") (NYSE: FTV) will host a live video webcast of its Investor Day on Tuesday, June 10, 2025 in New York, including management presentations by Ralliant and Fortive. The Ralliant Investor Day will begin at 10:00 a.m. EDT, and the Fortive Investor Day will begin at approximately 1:30 p.m. EDT, with the day expected to conclude at approximately 4:00 p.m. EDT. A real-time webcast of the presentations will be accessible at www.ralliant.com and www.fortive.com, where related materials will be posted in connection with the presentations. Additional materials regarding Fortive's historical financial performance on a continuing operations basis will also be posted to the same section of Fortive's website. A replay of the webcast will be available following the presentation.

ABOUT FORTIVE

Fortive is a provider of essential technologies for connected workflow solutions across a range of attractive end-markets. Fortive's strategic segments - Intelligent Operating Solutions, Advanced Healthcare Solutions, and Precision Technologies - include well-known brands with leading positions in their markets. The company's businesses design, develop, service, manufacture, and market professional and engineered products, software, and services, building upon leading brand names, innovative technologies, and significant market positions. Fortive is headquartered in Everett, Washington and employs a team of more than 18,000 research and development, manufacturing, sales, distribution, service and administrative employees in more than 50 countries around the world. With a culture rooted in continuous improvement, the core of our company's operating model is the Fortive Business System. For more information please visit: www.fortive.com.

FORWARD-LOOKING STATEMENTS

Statements in this release that are not strictly historical, including statements regarding Fortive's pending spin-off of the outstanding shares of common stock of Ralliant, including the timing thereof or the tax-efficient nature thereof, and any other statements regarding events or developments that we believe or anticipate will or may occur in the future are "forward-looking" statements within the meaning of the federal securities laws. Factors that could cause actual results to differ materially from those in the forward-looking statements include, among other things: the ability to satisfy the conditions to, and complete, the transaction on a timely basis or at all, including the ability to obtain regulatory approvals, the ability of Fortive or Ralliant to realize the benefits of the transaction, Fortive's and Ralliant's performance and maintenance of important business relationships pending closing of the transaction, the possibility that the share repurchase programs may be suspended or discontinued, deterioration of or instability in the economy, the markets we serve, international trade policies and deteriorating trade relations with other countries, including imposition of tariffs and retaliatory tariffs between United States and China and other countries, responsive economic nationalism, trade restrictions, and enhanced regulation, the

financial markets, geopolitical conditions and conflicts, security breaches or other disruptions of our information technology systems, supply chain constraints, our ability to adjust purchases and manufacturing capacity to reflect market conditions, reliance on sole sources of supply, contractions or lower growth rates and cyclicalities of markets we serve, competition, changes in industry standards and governmental regulations, our ability to recruit and retain key employees, our ability to successfully identify, consummate, integrate and realize the anticipated value of appropriate acquisitions and successfully complete divestitures and other dispositions, our ability to develop and successfully market new products, software, and services and expand into new markets, the potential for improper conduct by our employees, agents or business partners, contingent liabilities relating to acquisitions and divestitures, impact of changes to tax laws, our compliance with applicable laws and regulations and changes in applicable laws and regulations, risks relating to international economic, geopolitical, including war and sanctions, legal, compliance and business factors, risks relating to potential impairment of goodwill and other intangible assets, currency exchange rates, tax audits and changes in our tax rate and income tax liabilities, the impact of our debt obligations on our operations, litigation and other contingent liabilities including intellectual property and environmental, health and safety matters, our ability to adequately protect our intellectual property rights, risks relating to product, service or software defects, product liability and recalls, risks relating to product manufacturing, our relationships with and the performance of our channel partners, commodity costs and surcharges, adverse effects of restructuring activities, our plans to separate into two independent, publicly-traded companies, risk related to tax treatment of our prior or pending separation, impact of our indemnification obligation to Vontier, impact of changes to U.S. GAAP, labor matters, and disruptions relating to man-made and natural disasters and climate change. Additional information regarding the factors that may cause actual results to differ materially from these forward-looking statements is available in our SEC filings, including our Annual Report on Form 10-K for the year ended December 31, 2024 and Quarterly Report on Form 10-Q for the quarter ended March 28, 2025. These forward-looking statements speak only as of the date of this presentation, and Fortive does not assume any obligation to update or revise any forward-looking statement, whether as a result of new information, future events and developments or otherwise.
