High Roller Selects Xpoint to Provide Geolocation Services in Ontario

Las Vegas, Nevada, June 11, 2025 (GLOBE NEWSWIRE) -- High Roller Technologies ("High Roller" and the "Company") (NYSE: ROLR), operator of award-winning premium online casino brands [High Roller](#) and [Fruta](#), has partnered with Xpoint to employ its market-leading geolocation and anti-fraud technology in Ontario.

Xpoint's geolocation technology enables operators like High Roller to meet Ontario's compliance requirements through accurate location verification and fraud prevention. High Roller will be powered by Playtech's platform, on which Xpoint's services are fully integrated.

High Roller has submitted its license application to enter Ontario's regulated online casino market, and subject to licensing and approval, the Company anticipates launching live operations in the market in H2 2025.

Ben Clemes, Chief Executive Officer at High Roller Technologies, commented: "We are committed to operating a premium product in the market and Xpoint's technology is best-in-class. Xpoint's commitment to serving and innovating within the gaming industry is impressive, and we're thrilled to partner with them as we work towards our launch in Ontario."

Manu Gambhir, Chief Executive Officer at Xpoint, said: "We are impressed with High Roller's commitment to working with industry-leading partners, and we're excited about their future growth prospects. We're looking forward to working with High Roller in Ontario."
