# COPT Increases Quarterly Dividend by 3.6%

COLUMBIA, Md.--(BUSINESS WIRE)-- Corporate Office Properties Trust (NYSE: OFC) ("COPT" or the "Company") announced today that its Board of Trustees declared a regular quarterly dividend of \$0.285 per common share for the first quarter ending March 31, 2023. This represents an increase of 3.6%, or \$0.01 per share, over the most recent quarterly dividend of \$0.275. The first quarter 2023 dividend represents an annualized amount of \$1.14 per share and is payable on April 17, 2023, to shareholders of record on March 31, 2023.

Stephen E. Budorick, COPT's President & Chief Executive Officer, commented, "This dividend increase is the culmination of over a decade of work to reposition our Company to produce durable cash flows and predictable growth, by deeply concentrating our investments into properties that support National Defense. From 2012 to 2022, we invested nearly \$250 million, on average annually, primarily into Defense/IT property developments. Today, 91% of our core portfolio annualized rental revenue comes from our Defense/IT properties.

Between 2018 to 2022, FFO per share increased at a compound annual growth rate of 4.1%. We recently announced that we expect to fund our annual development investment from internal cash flows going forward. This dividend increase, our first in over a decade, is supported by the strong growth in FFO and AFFO, allowing us to increase our dividend distribution to shareholders, while continuing to fund accretive development activities in National Defense properties on a leverage neutral basis."
