FTE Networks Files Form 10 Registration Statement

NAPLES, FL -- (Marketwired) -- 03/17/15 -- FTE Networks, Inc. (OTCBB: FTNW), a premier provider of infrastructure solutions services in the telecommunications and technology vertical, today announced that it has filed a Form 10 Registration Statement with the U.S. Securities and Exchange Commission (SEC).

This filing represents a significant milestone in our goal to list FTE Networks on a major exchange commented, Michael Palleschi, CEO of FTE. "We are excited about filing our Form 10, as it allows FTE to accelerate growth and meet our customer bandwidth demands through better access to capital markets."

FTE Networks has built its reputation and business around major Fortune 500 corporate customers. It has grown rapidly since inception and has maintained that momentum in the first quarter of 2015.

The market perceives the dramatic growth in bandwidth capacity on communications networks as being driven by data, video, live-streaming, social media and mobile commerce. FTE's profile as a public company is anticipated to enhance our prospects in this underserved telecommunications infrastructure marketplace.

We anticipate relisting of our shares following receipt of all necessary regulatory approvals.
