## FTE Networks to Present at the SeeThruEquity Fall Microcap Investor Conference

NAPLES, FL -- (Marketwired) -- 09/22/16 -- **FTE Networks, Inc.** (OTCQX: FTNW) ("**FTE**" or **the "Company"**), a leading network infrastructure solutions provider in the technology and telecommunications vertical, today announced that management will be presenting at the SeeThruEquity Fall Microcap Investor Conference on Monday, October 17, 2016. The conference is being held at Convene, which is located at 101 Park Ave in New York City.

SeeThruEquity (STE) has been committed to its core mission: providing impactful, high quality research on uncovered and undercovered microcap stocks and hosting investor conferences throughout the year. STE has been able to grow its research universe to over 176 names.

STE conferences are the ultimate event for publicly traded companies with less than \$1 billion in market capitalization because it augments the conference experience with the firm's research which is part of Wall Street consensus and available across industry leading platforms including Thomson First Call, FactSet, S&P CapitalIQ, Yahoo! Finance and Bloomberg to name a select few. STE has hosted 20 investor conferences which have showcased over 350 companies, attracted over 4500 attendees and have included over 1,700 1-on-1 meetings. ### **About FTE Networks, Inc.**

FTE Networks is on the leading edge of network transformation helping communications service providers, government and enterprise customers evolve their networks to meet advancing technology requirements via network infrastructure, and edge computing solutions to quickly enhance service innovation and deliver new revenue streams. With a focus on smart design, open architectures and consistent standards, along with expertise in building, operating, and maintaining networks, FTE solves complex network and system challenges that reduce costs and deployment time to accelerate delivery and optimize performance of network infrastructure. Operating five (5) industry segments; Data Center Infrastructure, Fiber Optics, and Wireless Integration, Network Engineering, Compute to the Edge, FTE Networks is headquartered in Naples, Florida, with offices throughout the United States and Europe. For more information, please visit: [www.ftenet.com](http://www.ftenet.com).

### **Forward Looking Statements**

This release may contain forward-looking statements relating to the business of FTE. All statements other than historical facts are forward-looking statements, which can be identified by the use of forward-looking terminology such as "believes," "expects" or similar expressions. These statements involve risks and uncertainties that may cause actual results

to differ materially from those anticipated, believed, estimated or expected. These risks and uncertainties are described in detail in our filings with the Securities and Exchange Commission. Forward-looking statements are based on FTE's current expectations and beliefs concerning future developments and their potential effects on FTE. There is no assurance that future developments affecting FTE will be those anticipated by FTE. FTE undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required under applicable securities laws.
