Date: Monday, September 11, 2017

Time: 4:40PM ET (subject to change depending on conference schedule)

Location: Stanford Room; Lotte New York Palace Hotel in New York City

## ***About FTE Networks, Inc.***

FTE Networks, Inc. (FTNW) is a leading network infrastructure solutions provider to the technology and communications sectors. FTE's three complementary businesses are: FTE Networks Services (network infrastructure solutions); CrossLayer, Inc. (managed network services with first-of-its-kind advanced network and cloud platform); and Benchmark Builders, Inc. (construction management), which provides end-to-end design, build and support solutions for state-of-the-art networks and commercial properties to create the most transformative smart platforms and buildings. FTE's businesses are predicated on smart design and consistent standards that reduce deployment costs and accelerate delivery of innovative projects and services. The company works with Fortune 100/500 companies, including some of the world's leading communications services providers. FTE Networks and its subsidiaries operate eight lines of business, including Data Center Infrastructure, Fiber Optics, Wireless Integration, Network Engineering, Internet Service Provider, Construction Management, General Contracting and Pre-Construction Services. With approximately 200+ employees, FTE and its entities have operations in 17 states. For more information, please visit [www.ftenet.com](http://www.ftenet.com).

## ***Forward-Looking Statements***

This release may contain forward-looking statements relating to the business of FTE. All statements other than historical facts are forward-looking statements, which can be identified by the use of forward-looking terminology such as believes, expects or similar expressions. These statements involve risks and uncertainties that may cause actual results to differ materially from those anticipated, believed, estimated or expected. These risks and uncertainties are described in detail in our filings with the Securities and Exchange Commission. Forward-looking statements are based on FTEs current expectations and beliefs concerning future developments and their potential effects on FTE. There is no assurance that future developments affecting FTE will be those anticipated by FTE. FTE undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required under applicable securities laws.
