Allego, a Leading Pan-European EV Fast Charging Network, Announces its Participation in the JP Morgan Global ESG Conference

PARIS & ARNHEM, the Netherlands & NEW YORK--(BUSINESS WIRE)-- Allego Holding B.V. (NYSE: ALLG) ("Allego" or "the Company"), a leading pan-European electric vehicle public charging network, announced today that the Company's CEO, Mathieu Bonnet, will participate in the *Electrification of Europe and the Future of EV Charging* panel at the JP Morgan Global ESG Conference held in London on Thursday, March 24, 2022, at 7:00 am ET. The panel will include an audience Q&A at the end. Interested institutional investors that are clients of JP Morgan should contact their respective sales representatives directly.

About Allego

Allego delivers charging solutions for electric cars, motors, buses, and trucks, for consumers, businesses, and cities. Allego's end-to-end charging solutions make it easier for businesses and cities to deliver the infrastructure drivers need, while the scalability of our solutions makes us the partner of the future. Founded in 2013, Allego is a leader in charging solutions, with an international charging network comprised of approximately 28,000 public charging ports operational throughout the pan-European market – and proliferating. Our charging solutions are connected to our proprietary platform, EV-Cloud, which gives our customers and us a full portfolio of features and services to meet and exceed market demands. We are committed to providing independent, reliable, and safe charging solutions, agnostic of vehicle model or network affiliation. At Allego, we strive every day to make EV charging easier, more convenient, and more enjoyable for all.

Forward-Looking Statements

All statements other than statements of historical facts contained in this press release ("Press Release") are forward-looking statements. Forward-looking statements may generally be identified by the use of words such as "believe," "may," "will," "estimate," "continue," "anticipate," "intend," "expect," "should," "would," "plan," "project," "forecast," "predict," "potential," "seem," "seek," "future," "outlook," "target" or other similar expressions (or the negative versions of such words or expressions) that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to, statements regarding estimates and forecasts of other financial and performance metrics and projections of market opportunity and market share. These statements are based on various assumptions, whether or not identified in this Press Release, and on the current expectations of Allego's management and are not predictions of actual performance. These forward-looking statements are provided for illustrative purposes

only and are not intended to serve as, and must not be relied on as a guarantee, an assurance, a prediction, or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and may differ from assumptions, and such differences may be material. Many actual events and circumstances are beyond the control of Allego. These forward-looking statements are subject to a number of risks and uncertainties, including (i) changes in domestic and foreign business, market, financial, political, and legal conditions; (ii) risks related to the rollout of Allego's business strategy and the timing of expected business milestones; (iii) risks related to the consummation of the proposed business combination with Spartan Acquisition Corp. III being delayed or not occurring at all; (iv) risks related to political and macroeconomic uncertainty; (v) the risk that the installation of the charging solutions at Nissan locations is delayed or does not occur at all; (vi) the risk that the benefits to Allego of the Nissan partnership are delayed, are less than anticipated or do not occur at all; and (vii) the impact of the global COVID-19 pandemic, including its impact on any of the foregoing risks. If any of these risks materialize or Allego's assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that Allego does not presently know or that Allego currently believes are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect Allego's expectations, plans or forecasts of future events and views as of the date of this Press Release. Allego anticipates that subsequent events and developments will cause Allego's assessments to change. However, while Allego may elect to update these forward-looking statements at some point in the future, Allego specifically disclaims any obligation to do so, unless required by applicable law. These forward-looking statements should not be relied upon as representing Allego's assessments as of any date subsequent to the date of this Press Release. Accordingly, undue reliance should not be placed upon the forward-looking statements.
