## **Central Garden & Pet Announces Executive Appointments**

WALNUT CREEK, Calif.--(BUSINESS WIRE)-- Central Garden & Pet Company (NASDAQ:CENT) (NASDAQ:CENTA), a leading innovator, marketer and producer of quality branded products for the lawn and garden and pet supplies markets, today announced the appointment of two senior executives, effective October 10, 2016, that will help drive the Company's growth initiatives in the years ahead.

William Lynch will be joining the firm as Sr. Vice President of Operations. Lynch most recently served as Sr. Vice President – Global Operations for Moen, Inc. and was responsible for supply chain strategy, engineering, strategic sourcing, planning, manufacturing, logistics, quality, and customer service. Prior to his time at Moen, Lynch spent over thirty years at The Clorox Company in numerous management positions, the last of which was Vice President Product Supply Global Operations. Lynch will report to President and CEO George Roeth. Lynch holds an MBA from Georgia State and a BS from Georgia Tech in Mechanical Engineering.

Rodolfo Spielmann, currently a consultant to the Company, has been named President of Pet Consumer Products. Spielmann has 23 years of broad consumer packaged goods experience in a variety of leadership and marketing roles in the U.S. and internationally, most recently with Mars, Inc. as the Global President of Nutro and North American Pet Specialty. Prior to his role at Mars, Spielmann worked for a number of consumer products companies, including Del Monte Foods, H.J. Heinz, and Procter & Gamble. Spielmann holds a Masters and Bachelor degree in Engineering Sciences from Pontificia Universidad Catolica de Chile and will also report to President and CEO George Roeth.

Roeth commented, "I am pleased to add the caliber of talent that Bill and Rodolfo bring to Central. Along with our existing strong business unit leaders and dedicated and passionate workforce, these two leaders will help spearhead initiatives to drive top-line growth and focus on continuous cost improvement, both with the goal of driving sustainable profit growth in the years ahead."
