MEETINGS

1. The Committee’s chairperson (or in his or her absence, a member designated by the Committee’s chairperson) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with the provisions of the Company’s bylaws that are applicable to a committee of the Board of Directors.
2. In order to discharge its duties and responsibilities, the Committee shall meet at least once a year and more frequently as the Committee deems necessary or desirable. The Committee shall have the authority to establish a procedure for calling a special meeting of the Committee so long as it is not inconsistent with the provisions of the Company’s bylaws. Meetings of the Committee may be held in-person or via telephonic conference.

3. Except as otherwise provided by law or this Charter, a majority of the members of the Committee shall be required to constitute a quorum for the transaction of business at any meeting, and the act of a majority of the Committee members present and voting at any meeting at which a quorum is present shall be the act of the Committee. Action may be taken by the Committee without a meeting if all of the members of the Committee indicate their approval in writing, and the writing is filed with the minutes of the Committee's proceedings.
4. The Committee may, in its discretion, invite other directors of the Company, members of the Company's management or any other person whose presence the Committee believes to be desirable and appropriate to attend and observe meetings of the Committee.
5. The Committee shall maintain minutes or other records of meetings and activities of the Committee.
6. All action taken by the Committee (or any subcommittee thereof) shall be reported to the Board of Directors, which will generally occur at the next meeting of the Board of Directors following such action.
