CollPlant to Present at ThinkEquity Conference on May 2, 2019 in New York City

REHOVOT, Israel, April 23, 2019 /PRNewswire/ -- **CollPlant** (NASDAQ: CLGN), a regenerative medicine company, today announced the Company will present at the [ThinkEquity Conference](#) on Thursday, May 2, 2019 at 10:00 am ET in the Lotus East room of the Mandarin Oriental Hotel in New York City.

The ThinkEquity Conference brings together companies in the technology, healthcare, finance, and energy industries with institutional and accredited investors. ThinkEquity is a division of Fordham Financial Management, Inc.

"We look forward to presenting to the New York investment community our key activities and latest developments at CollPlant, including medical aesthetics and the collaboration with United Therapeutics for 3D Bioprinting of solid organs for human transplant," stated CollPlant CEO, Yehiel Tal.

About CollPlant

CollPlant is a regenerative medicine company focused on 3D bioprinting of tissues and organs, medical aesthetics, and on developing and commercializing tissue repair products for orthobiologics, and advanced wound care markets. Our products are based on our rhCollagen (recombinant human collagen) that is produced with CollPlant's proprietary plant based genetic engineering technology.

Our products address indications for the diverse fields of organ and tissue repair, and are ushering in a new era in regenerative medicine. Our flagship rhCollagen BioInk product line is ideal for 3D bioprinting of tissues and organs. We recently entered into a licensing agreement with United Therapeutics, whereby United Therapeutics is using CollPlant's BioInks in the manufacture of 3D bioprinted lungs for transplant in humans. CollPlant's unique Vergenix line of rhCollagen products includes a soft tissue repair matrix for treating tendinopathy and a wound repair matrix to promote a rapid optimal healing of acute and chronic wounds.
