About Bristow Group

Bristow Group Inc. is the leading global provider of innovative and sustainable vertical flight solutions. Bristow primarily provides aviation services to a broad base of offshore energy companies and government entities. Our aviation services include personnel transportation, search and rescue ("SAR"), medevac, fixed-wing transportation, unmanned systems and ad hoc helicopter services. Our business is comprised of three reportable segments: Offshore Energy Services, Government Services and Other Services. Our offshore energy customers primarily use our services to transport personnel to, from and between offshore energy installations. Our government customers primarily outsource SAR activities whereby we operate specialized helicopters and provide highly trained personnel. Our other customers primarily include fixed-wing passengers utilizing our regional airline in Australia and companies that dry-lease helicopters from us in support of other industries and markets in which we do not directly compete or operate in.

Bristow currently has customers in Australia, Brazil, Canada, Chile, the Dutch Caribbean, the Falkland Islands, Ireland, the Netherlands, Nigeria, Norway, Spain, Suriname, Trinidad and Tobago, the United Kingdom and the United States. To learn more, visit our website at www.bristowgroup.com.
