SiriusXM to Launch "Sex with Emily"

The only national, live call-in show about sex and relationships premieres on November 12

Hosted by Emily Morse, "Sex with Emily," will air daily during West Coast afternoon drive time on SiriusXM's Stars channel

NEW YORK, Nov. 5, 2018 /PRNewswire/ -- SiriusXM announced today the launch of *Sex with Emily*, the only national, live call-in radio show in the country about sex and relationships, airing exclusively on SiriusXM.

Hosted by sex and relationship expert Emily Morse, *Sex with Emily* will feature guest interviews, special segments, and Emily's answers to callers' most intimate questions. A Doctor of Human Sexuality and founder of the top-rated podcast *Sex with Emily*, Emily will provide realistic solutions to subjects that can be difficult to discuss anywhere else. A former co-host of the famed *Loveline* Radio Show and star of the Bravo TV series, *Miss Advised*, Emily is also an author and regular expert contributor to mainstream publications like *Cosmopolitan*, *Glamour*, *Men's Health* and more.

Judgment-free and never sensationalized, *Sex with Emily* will launch on Monday, November 12 on SiriusXM's Stars channel 109. On her new, daily show, Emily will take calls and emails from SiriusXM listeners nationwide. She will also lead regular fun, lively segments, including: "Sex in the News," her take on the latest sex studies and media stories; and "Sex Hacks," Emily's simple suggestions for quick relationship fixes.

"I'm passionate about changing the way people think and talk about sex," said Emily Morse. "When listeners hear me discuss sex without judgement or shame, they realize their concerns are universal, and that they really do have the power to improve things. I am grateful to SiriusXM for the opportunity to inspire a national audience - it's a dream come true."

"In a world of relationship and sex experts, Emily is a singular talent," said Megan Liberman, SiriusXM's Senior Vice President of News, Talk, and Entertainment Programming. "She not only makes talking about sex comfortable and easy, she is fun and funny and offers advice that will improve the relationships of both callers and listeners."

Sex with Emily will air daily beginning Monday, November 12 at 8:00 pm – 10:00 pm ET and through the SiriusXM app on smartphones and other connected devices, as well as online at siriusxm.com. SiriusXM Stars channel 109 features unfiltered programming for women all

in one place.

Emily Morse is a podcasting pioneer, author, masthead contributor to *Cosmopolitan* magazine, and creator of her own mobile apps.

Fans can join the conversation on the SiriusXM Entertainment Facebook page. Listeners can also follow @SiriusXMStars on Twitter for updates.

SiriusXM subscribers can listen to *Sex with Emily*, and those with streaming access can listen online, on-the-go with the SiriusXM mobile app and at home on a wide variety of connected devices including smart TVs, Amazon Alexa devices, Apple TV, PlayStation, Roku, Sonos speakers and more. Go to www.SiriusXM.com/AtHome to learn more.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes

of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2017, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
