Boardwalktech Software to Present at the Planet MicroCap Showcase on April 23, 2025

CUPERTINO, Calif., April 17, 2025 /PRNewswire/ - Boardwalktech Software Corp. ("Boardwalktech") (TSXV: BWLK) (OTCQB: BWLKF), the leading Intelligent Information Platform company, announced today that CEO and Chairman Andrew Duncan will present at the Planet MicroCap Showcase: VEGAS 2025 in partnership with MicroCapClub on Wednesday, April 23, 2025, at 10:30am PT / 1:30pm ET. Mr. Duncan, along with CFO Charlie Glavin, will also host 1x1 investor meetings on April 24, 2025. Interested parties can watch a pre-conference interview with Mr. Duncan [HERE](#).

"More than 80% of enterprise data remains unstructured, and the growing need to harness this information to enhance operational efficiencies, meet regulatory standards, and improve reporting and decision-making is driving companies and partners to Boardwalktech," said Mr. Duncan. "Our technology is already being used by a top 5 U.S. bank, several Fortune 500 companies, and major national telecom providers, among others. We're not just deepening relationships with existing clients, we're gaining momentum through a growing ecosystem of high-impact partners actively fueling our sales pipeline. With a strengthened balance sheet following the successful first C\$1.1 million tranche of our non-brokered financing, we are in a good position to aggressively execute our growth strategy. I look forward to sharing more about Boardwalktech's accelerating trajectory at the upcoming Planet MicroCap Showcase: VEGAS 2025."

About Boardwalktech Software Corp.

Boardwalktech has developed a patented Digital Ledger Technology Platform currently used by Fortune 500 companies running mission-critical applications worldwide. Boardwalktech's digital ledger technology and its unique method of managing vast amounts of structured and unstructured data is the only platform on the market today where multiple parties can effectively work on the same data simultaneously while preserving the fidelity and provenance of the data. Boardwalktech can deliver collaborative, purpose-built enterprise information management applications on any device or user interface with full integration with enterprise systems of record in a fraction of the time it takes other non-digital ledger technology-based platforms. Boardwalktech is headquartered in Cupertino, California with offices in India and operations in North America.

Forward-Looking Statement

This press release contains certain "forward-looking information" within the meaning of applicable Canadian securities legislation and may also contain statements that may constitute "forward-looking statements" within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Such forward-looking information and statements are not representative of historical facts or information or current condition, but instead represent only the Company's beliefs regarding future events, plans or objectives, many of which, by their nature, are inherently uncertain and outside of the Company's control. Generally, such forward-looking information or statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends",

"anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved".

By identifying such information and statements in this manner, the Company is alerting the reader that such information and statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such information and statements.

An investment in securities of the Company is speculative and subject to several risks including, without limitation, the risks discussed under the heading "Risk Factors" in the Company's filing statement dated February 25, 2025. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking information and forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended.

In connection with the forward-looking information and forward-looking statements contained in this press release, the Company has made certain assumptions. Although the Company believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements. The forward-looking information and forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake to update any forward-looking information and/or forward-looking statements that are contained or referenced herein, except in accordance with applicable securities laws. All subsequent written and oral forward-looking information and statements attributable to the Company or persons acting on its behalf is expressly qualified in its entirety by this notice.
