

STRYVE FOODS, INC. AUDIT COMMITTEE CHARTER

This Audit Committee Charter was adopted by the Board of Directors (the “Board”) of Stryve Foods, Inc. (the “Company”) on July 20, 2021.

I. Purpose

The purpose of the Audit Committee (the “Committee”) of the Board of the Company is to assist the Board in discharging the Board’s oversight responsibilities to stockholders, potential stockholders and the investment community relating to the Company’s accounting and financial reporting process and the audits of the Company’s financial statements. Consistent with this purpose, the Committee should encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures and practices at all levels, while maintaining free and open communication between members of the Board, the independent auditor and the financial management of the Company.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company’s bylaws (as in effect from time to time) and applicable law. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee’s sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers delegated to it.

The Committee’s responsibilities are limited to oversight. Management of the Company is responsible for the preparation, presentation and integrity of the Company’s financial statements as well as the Company’s financial reporting process, accounting policies, internal audit function, internal accounting controls and disclosure controls and procedures. The independent auditor is responsible for performing an audit of the Company’s annual financial statements, expressing an opinion as to the conformity of such annual financial statements with generally accepted accounting principles (“GAAP”) and reviewing the Company’s quarterly financial statements. It is not the responsibility of the Committee to plan or conduct audits or to determine that the Company’s financial statements and disclosures are complete and accurate and in accordance with GAAP and applicable laws, rules and regulations. Each member of the Committee shall be entitled to rely on the integrity of those persons within the Company and of the professionals and experts, including the Company’s internal auditor (or others responsible for the internal audit function, including contracted non-employee or audit or accounting firms engaged to provide internal audit services, collectively the “internal auditor”) and the Company’s independent auditor, from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

Further, auditing literature, particularly Statement of Auditing Standards No. 100, as amended, defines the term “review” to include a particular set of required procedures to be undertaken by independent auditors. The members of the Committee are not independent auditors, and the term “review” as used in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

II. Membership

The Committee shall consist of at least three members of the Board who the Board determines qualify as independent directors; provided, that if at any time there is a vacancy on the Committee and the remaining members meet all membership requirements, then the Committee may consist of two members until the earlier of the Company’s next annual stockholders meeting or one year from the occurrence of the vacancy; provided, further, that if the next annual stockholders meeting occurs no later than 180 days following the occurrence of the vacancy, then the Committee may consist of two members until 180 days from the occurrence of the vacancy. No Committee member shall have participated in the preparation of the Company’s or any of its subsidiaries’ financial statements during the past three years. Each Committee member shall also satisfy the independence requirements of the NASDAQ Stock Market and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Each Committee member must be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement. Members of the Committee are not required to be engaged in the accounting and auditing profession and, consequently, some members may not be expert in financial matters, or in matters involving auditing or accounting. However, at least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual’s financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. In addition, at least one member of the Committee shall be an “audit committee financial expert” within the definition adopted by the Securities and Exchange Commission (the “SEC”).

The members of the Committee, including the Chair of the Committee, shall be appointed by the Board on the recommendation of the Nominating & Corporate Governance Committee. Committee members may be removed from the Committee, with or without cause, by the Board. The Board may designate, upon the recommendation of the Nominating & Corporate Governance Committee, one or more directors as alternate members of the Committee, who may replace any absent or disqualified member at any meeting of the Committee. If a member of the Committee and such member’s alternate, if alternates are designated by the Board, are absent or disqualified, the member or members of the Committee present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in place of any such absent or disqualified member, so long as such replacement member of the Committee satisfies the requirements for membership provided herein.

Consistent with the Company’s Corporate Governance Guidelines, due to the demanding nature of service on the Committee, Committee members may not serve on the audit committees of the boards of directors of more than two other public companies at the same time as they are

serving on this Committee, unless the Board determines that such service would not impair the ability of such member to effectively serve on the Committee.

III. Meetings and Procedures

Meetings of the Committee may be called by the Chair, or two or more members of the Committee, or the Chair of the Board upon notice given at least twenty-four hours prior to the meeting, or upon such shorter notice as shall be approved by the Committee. The Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Chairman of the Committee shall designate a secretary for each meeting who shall record minutes of all formal actions of the Committee. A majority of the Committee members, present in person or by phone, shall constitute a quorum. A majority of the members present shall decide any questions brought before the Committee, except to the extent otherwise required by the Company's certificate of incorporation or bylaws (each as in effect from time to time). The Committee shall have the authority to fix its own rules of procedure and shall hold its meetings as provided by such rules, except as may otherwise be provided by a resolution of the Board designating the Committee, and so long as such rules are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee. Meetings of the Committee may be held by conference call. Unless otherwise restricted by the Company's certificate of incorporation, any action required or permitted to be taken at any meeting of the Committee may be taken without a meeting if all members of the Committee consent thereto in writing, and the writing or writings are filed with the minutes of the Committee.

The Committee shall meet at least once during each fiscal quarter and more frequently as the Committee deems desirable. The Committee shall meet separately, periodically, with management, with the internal auditor and with the independent auditor.

The Committee may retain any independent counsel, experts or advisors (accounting, financial or otherwise) that the Committee believes to be necessary or appropriate. The Committee may also utilize the services of the Company's regular legal counsel or other advisors to the Company. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services, for payment of compensation to any advisors employed by the Committee and for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee shall keep regular minutes of all meetings (unless actions are taken and reported to the Committee's satisfaction in the minutes of the Board meetings), any such minutes shall be distributed to each member of the Committee. The Secretary of the Company shall maintain the approved signed minutes for filing with the corporate records of the Company. The Chair shall report to the Board regarding the activities of the Committee at appropriate times and as otherwise requested by the Chairman of the Board.

The Committee may conduct or authorize investigations into any matters within the scope of the powers and responsibilities delegated to the Committee.

IV. Powers and Responsibilities

Interaction with the Independent Auditor

1. *Appointment and Oversight.* The Committee shall be directly responsible for the appointment, compensation, retention, replacement and oversight of the work of the independent auditor (including resolution of any disagreements between Company management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company, and the independent auditor shall report directly to the Committee. Annually, the Committee will review the qualifications of the Company's current independent auditor, and select the Company's independent auditor for the next year, subject to stockholder ratification if required or sought.

2. *Pre-Approval of Services.* Before the independent auditor is engaged by the Company or its subsidiaries to render audit or permitted non-audit services, the Committee shall pre-approve the engagement. Committee pre-approval of audit and permitted non-audit services will not be required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the Committee regarding the Company's engagement of the independent auditor, provided the policies and procedures are detailed as to the particular service, the Committee is informed of each service provided and such policies and procedures do not include delegation of the Committee's responsibilities under the Exchange Act to the Company's management. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals, provided such approvals are presented to the Committee at the next scheduled meeting. If the Committee elects to establish pre-approval policies and procedures regarding permitted non-audit services, the Committee must be informed of each permitted non-audit service provided by the independent auditor. Committee pre-approval of permitted non-audit services (other than review and attest services) also will not be required if such services fall within available exceptions established by the SEC.

3. *Independence of Independent Auditor.* The Committee shall, at least annually, review the qualifications, performance, independence (consistent with SEC requirements) and quality control procedures of the independent auditor and the experience and qualifications of the independent auditor's senior personnel that are providing audit services to the Company. In conducting its review:

(i) The Committee shall obtain and review a report prepared by the independent auditor describing: (a) the independent auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditor, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the independent auditor and any steps taken to deal with such issues; and (c) all relationships between the independent auditor and the Company to assess the independent auditor's independence. The Committee shall ensure that the independent auditor prepare and deliver, at least annually, a written statement delineating all relationships between the independent auditor and the Company, consistent with applicable PCAOB requirements. The Committee shall actively engage in a dialogue with the independent auditor with respect to any disclosed relationships or services that, in the view of the Committee, may impact the objectivity and independence of the independent auditor. If the Committee determines that further

inquiry is advisable, the Committee shall take appropriate action in response to the independent auditor's report to satisfy itself of the auditor's independence.

(ii) The Committee shall confirm with the independent auditor that the independent auditor is in compliance with any applicable partner rotation requirements established by the SEC or PCAOB.

(iii) The Committee shall consider whether the Company should adopt a rotation of the annual audit among independent auditing firms in compliance with applicable laws and regulations.

(iv) The Committee shall, if applicable, consider whether the independent auditor's provision of any permitted information technology services or other non-audit services to the Company is compatible with maintaining the independence of the independent auditor.

Annual Financial Statements and Annual Audit

4. Meetings with Management, the Independent Auditor and the Internal Auditor.

(i) The Committee shall meet with management, the independent auditor and the internal auditor in connection with each annual audit to discuss the scope of the audit, the procedures to be followed and the staffing of the audit.

(ii) The Committee shall review and discuss with management and the independent auditor: (a) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (b) any analyses prepared by management or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including analyses of the effects of alternative GAAP methods on the Company's financial statements; and (c) the effect of regulatory and accounting initiatives, as well as off- balance sheet structures, on the Company's financial statements.

(iii) The Committee shall review and discuss the annual audited financial statements with management and the independent auditor, including the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations."

5. Separate Meetings with the Independent Auditor

(i) The Committee shall review with the independent auditor any problems or difficulties the independent auditor may have encountered during the course of the audit work, including any restrictions on the scope of activities or access to required information or any significant disagreements with management and management's responses to such matters. Among the items that the Committee should consider reviewing with the Independent Auditor are: (a) any accounting adjustments that were

noted or proposed by the auditor but were “passed” (as immaterial or otherwise); (b) any communications between the audit team and the independent auditor’s national office respecting auditing or accounting issues presented by the engagement; and (c) any “management” or “internal control” letter issued, or proposed to be issued, by the independent auditor to the Company. The Committee shall obtain from the independent auditor assurances that Section 10A(b) of the Exchange Act has not been implicated.

(ii) The Committee shall discuss with the independent auditor the report that such auditor is required to make to the Committee regarding: (a) all accounting policies and practices to be used that the independent auditor identifies as critical; (b) all alternative treatments within GAAP for policies and practices related to material items that have been discussed among management and the independent auditor, including the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and (c) all other material written communications between the independent auditor and management of the Company, such as any management letter, management representation letter, reports on observations and recommendations on internal controls, independent auditor’s engagement letter, independent auditor’s independence letter, schedule of unadjusted audit differences and a listing of recorded adjustments and reclassifications recommended by the external auditor.

(iii) The Committee shall discuss with the independent auditor the matters required to be discussed by PCAOB Auditing Standard No. 16, “Communications with Audit Committees,” as then in effect.

(iv) The Committee shall report the results of the annual audit to the Board. If requested by the Board, the Committee shall invite the independent auditor to attend a meeting of the full Board to assist in reporting the results of the annual audit or to answer other directors’ questions.

6. *Recommendation to Include Financial Statements in Annual Report.* The Committee shall, based on the review and discussions in paragraphs 4(iii) and 5(iii) above, and based on the disclosures received from the independent auditor regarding its independence and discussions with the auditor regarding such independence pursuant to subparagraph 3(ii) above, determine whether to recommend to the Board that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year subject to the audit.

Quarterly Financial Statements

7. *Meetings with Management, the Independent Auditor and the Internal Auditor.* The Committee shall review and discuss the quarterly financial statements with management and the independent auditor, including the Company’s disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations.”

Internal Audit

8. *Appointment.* The Committee shall review and approve the appointment and replacement of the internal auditor.

9. *Separate Meetings with the Internal Auditor.* The Committee shall meet periodically with the Company's internal auditor to discuss the responsibilities, budget and staffing of the Company's internal audit function and any issues that the internal auditor believes warrant the Committee's attention. The Committee shall discuss with the internal auditor any significant reports to management prepared by the internal auditor and any responses from management.

Other Powers and Responsibilities

10. The Committee shall discuss with management and the independent auditor the Company's earnings press releases (including any "pro forma" or "adjusted" non-GAAP information), as well as financial information and earnings guidance provided to analysts and rating agencies. The Committee's discussion in this regard may be general in nature (i.e., discussion of the types of information to be disclosed and the type of presentation to be made) and if practicable, should take place in advance of each earnings release or each instance in which the Company may provide earnings guidance.

11. The Committee shall review all related party transactions (meaning transactions required to be disclosed pursuant to Item 404 of Reg. S-K) on an ongoing basis and all such transactions shall require approval by the Committee.

12. The Committee shall discuss with management and the independent auditor any correspondence from or with regulators or governmental agencies, any employee complaints or any published reports that raise material issues regarding the Company's financial statements, financial reporting process, accounting policies or internal audit function.

13. The Committee shall discuss with the Company's internal or outside counsel any legal matters brought to the Committee's attention that could reasonably be expected to have a material impact on the Company's financial statements.

14. The Committee shall request assurances from management, the independent auditor and the Company's internal auditors that the Company's foreign subsidiaries and foreign affiliated entities, if any, are in conformity with applicable legal requirements, including disclosure of affiliated party transactions.

15. The Committee shall discuss with management the Company's policies with respect to risk assessment and risk management. The Committee shall discuss with management the Company's significant financial risk exposures as well as information security and technology risks (including cybersecurity) and the actions management has taken to limit, monitor or control such exposures.

16. The Committee will review and discuss the Company's disclosure controls and procedures, and the quarterly assessments of such controls and procedures by the Company's principal executive officer and principal financial officer. The Committee shall also review disclosures regarding the Company's internal control over financial reporting made to the Committee by the Company's principal executive officer and principal financial officer during their certification process for the Annual Report on Form 10-K and Quarterly Report on Form 10-Q, including any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

17. The Committee shall set clear hiring policies for employees or former employees of the Company's independent auditor consistent with applicable SEC rules and regulations.

18. The Committee shall establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters. The Committee shall also establish procedures for the confidential and anonymous submission by employees regarding questionable accounting or auditing matters.

19. The Committee shall prepare and provide the Company with the report of the Committee with respect to the audited financial statements required by Item 407(d)(3) of Reg. S-K, for inclusion in each of the Company's annual proxy statements.

20. The Committee, through its Chair, shall report regularly to, and review with, the Board any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditor, the performance of the Company's internal audit function or any other matter the Committee determines is necessary or advisable to report to the Board.

21. The Committee shall evaluate its own performance on an annual basis, including its compliance with this Charter, and provide the Board with any recommendations for changes in procedures or policies governing the Committee. The Committee shall conduct such evaluation and review in such manner as it deems appropriate.

22. The Committee shall review and assess this Charter at least annually and submit any recommended changes to the Board for its consideration.

V. Delegation of Duties

In fulfilling its responsibilities, the Committee shall be entitled to delegate any or all of its responsibilities to a subcommittee of the Committee, to the extent consistent with the Company's certificate of incorporation, bylaws and applicable law and SEC and NASDAQ rules.
