Weave Named a 2022 Top Workplace USA

LEHI, Utah--(BUSINESS WIRE)-- Weave (NYSE: WEAV), the all-in-one customer communication platform for small business, has earned the 2022 Top Workplaces USA award, issued by Energage. The Top Workplaces program has a 15-year history of surveying more than 20 million employees and recognizing the top organizations across 60 markets for regional Top Workplaces awards. This recognition is awarded to companies after an extensive employee survey that measures a company's values, leadership, and overall culture.

"Weave's people-first culture is key to bringing our solutions to market and serving small businesses across the U.S. and Canada," said Weave CEO Roy Banks. "This award is a testament to how dedicated Weavers are to stay hungry, care more, think creatively, do the right thing, and be customer-obsessed."

Over 42,000 organizations were invited to participate in the Top Workplaces USA survey. Winners of the Top Workplaces USA list are chosen based solely on employee feedback gathered through an employee engagement survey, issued by Energage.

Results are calculated by comparing the survey's research-based statements, including 15 Culture Drivers that are proven to predict high performance against industry benchmarks.
