Rand Capital Announces Third Quarter Cash Dividend Distribution of \$0.10 Per Share

BUFFALO, N.Y.--(BUSINESS WIRE)-- [Rand Capital Corporation](#) (Nasdaq: RAND) ("Rand"), a business development company ("BDC"), announced today that its Board of Directors declared its regular quarterly cash dividend distribution of \$0.10 per share. The cash dividend will be distributed on or about September 16, 2021, to shareholders of record as of September 2, 2021. At June 30, 2021, Rand had approximately 2.6 million shares outstanding.

Additional Information Regarding Dividend Distributions

The amount and timing of dividend distributions, including future dividend distributions, are subject to the discretion of Rand's Board of Directors. When declaring distributions, Rand's Board of Directors reviews estimates of taxable income available for distribution, which may differ from consolidated net income under generally accepted accounting principles due to (i) changes in unrealized appreciation and depreciation, (ii) temporary and permanent differences in income and expense recognition, and (iii) the amount of spillover income carried over from a given year for distribution in the following year. The final determination of taxable income for each tax year, as well as the tax attributes for distributions in such tax year, will be made after the close of the tax year.
