Non-Solicitation

This letter and the materials accompanying it are not intended to be, and shall not constitute, an offer to buy or sell or the solicitation of an offer to buy or sell any securities, or a solicitation of any vote or approval, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made, except by means of a prospectus meeting the requirements of Section 10 of the U.S. Securities Act of 1933, as amended.

Forward-Looking Statements

This press release, and oral statements made from time to time by representatives of 180 Degree Capital and Mount Logan, may contain statements of a forward-looking nature relating to future events within the meaning of federal securities laws. Forward-looking statements may be identified by words such as "anticipates," "believes," "could," "continue," "estimate," "expects," "intends," "will," "should," "may," "plan," "predict," "project," "would," "forecasts," "seeks," "future," "proposes," "target," "goal," "objective," "outlook" and variations of these words or similar expressions (or the negative versions of such words or expressions). Forward-looking statements are not statements of historical fact and reflect Mount Logan's and 180 Degree Capital's current views about future events. Such forward-looking statements include, without limitation, statements about the benefits of the Business Combination involving Mount Logan and 180 Degree Capital, including future financial and operating results, Mount Logan's and 180 Degree Capital's plans, objectives, expectations and intentions, the expected timing and likelihood of completion of the Business Combination, and other statements that are not historical facts, including but not limited to future results of operations, projected cash flow and liquidity, business strategy, payment of dividends to shareholders of New Mount Logan, and other plans and objectives for future operations. No assurances can be given that the forward-looking statements contained in this press release will occur as projected, and actual results may differ materially from those projected. Forward-looking statements are based on current expectations, estimates and assumptions that involve a number of risks and uncertainties that could cause actual results to differ materially from those projected. These risks and uncertainties include, without limitation, the ability to obtain the requisite Mount Logan and 180 Degree Capital shareholder approvals; the risk that Mount Logan or 180 Degree Capital may be unable to obtain governmental and regulatory approvals required for the Business Combination (and the risk that such approvals may result in the imposition of conditions that could adversely affect New Mount Logan or the expected benefits of the Business Combination); the risk that

an event, change or other circumstance could give rise to the termination of the Business Combination; the risk that a condition to closing of the Business Combination may not be satisfied; the risk of delays in completing the Business Combination; the risk that the businesses will not be integrated successfully; the risk that synergies from the Business Combination may not be fully realized or may take longer to realize than expected; the risk that any announcement relating to the Business Combination could have adverse effects on the market price of Mount Logan's common shares or 180 Degree Capital's common shares; unexpected costs resulting from the Business Combination; the possibility that competing offers or acquisition proposals will be made; the risk of litigation related to the Business Combination; the risk that the credit ratings of New Mount Logan or its subsidiaries may be different from what the companies expect; the diversion of management time from ongoing business operations and opportunities as a result of the Business Combination; the risk of adverse reactions or changes to business or employee relationships, including those resulting from the announcement or completion of the Business Combination; competition, government regulation or other actions; the ability of management to execute its plans to meet its goals; risks associated with the evolving legal, regulatory and tax regimes; changes in economic, financial, political and regulatory conditions; natural and man-made disasters; civil unrest, pandemics, and conditions that may result from legislative, regulatory, trade and policy changes; and other risks inherent in Mount Logan's and 180 Degree Capital's businesses. Forward-looking statements are based on the estimates and opinions of management at the time the statements are made. Readers should carefully review the statements set forth in the reports, which 180 Degree Capital has filed or will file from time to time with the SEC and Mount Logan has filed or will file from time to time on SEDAR+.

Neither Mount Logan nor 180 Degree Capital undertakes any obligation, and expressly disclaims any obligation, to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by law. Any discussion of past performance is not an indication of future results. Investing in financial markets involves a substantial degree of risk.
