# Ellomay Capital Ltd. Regains Compliance With NYSE American Audit Committee Composition Continued Listing Requirements

TEL AVIV, Israel, January 28, 2019 /PRNewswire/ --

**Ellomay Capital Ltd.** (NYSE American: ELLO) (TASE: ELLO) ("**Ellomay**" or the "**Company**"), a renewable energy and power generator and developer of renewable energy and power projects in Europe and Israel, today announced that it received a letter dated January 24, 2019 from NYSE American LLC ("**NYSE American**") indicating that the Company is back in compliance with the NYSE American audit committee composition continued listing standards set forth in Section 803(B)(2)(a) of the NYSE American Company Guide. The NYSE American letter stated that as a result of the appointment of Dr. Michael J. Anghel to the Company's board and audit committee, the Company has resolved the deficiency set forth in the NYSE American January 4, 2019 notification letter previously reported by the Company.

## About Ellomay Capital Ltd.

Ellomay is an Israeli based company whose shares are registered with the NYSE American and with the Tel Aviv Stock Exchange under the trading symbol "ELLO". Since 2009, Ellomay Capital focuses its business in the renewable energy and power sectors in Europe and Israel.

To date, Ellomay has evaluated numerous opportunities and invested significant funds in the renewable, clean energy and natural resources industries in Israel, Italy and Spain, including:

- Approximately 22.6MW of photovoltaic power plants in Italy, approximately 7.9MW of photovoltaic power plants in Spain and a photovoltaic power plant of approximately 9MW in Israel;
- 9.375% indirect interest in Dorad Energy Ltd., which owns and operates one of Israel's largest private power plants with production capacity of approximately 850 MW, representing about 6%-8% of Israel's total current electricity consumption;
- 75% of Chashgal Elyon Ltd., Agira Sheuva Electra, L.P. and Ellomay Pumped Storage (2014) Ltd., all of which are involved in a project to construct a 156 MW pumped storage hydro power plant in the Manara Cliff, Israel;
- 51% of Groen Gas Goor B.V. and of Groen Gas Oude-Tonge B.V., project companies operating or developing anaerobic digestion plants with a green gas production capacity of approximately 375 Nm<sup>3</sup>/h, in Goor, the Netherlands and 475 Nm<sup>3</sup>/h, in Oude Tonge, the Netherlands, respectively.

Ellomay Capital is controlled by Mr. Shlomo Nehama, Mr. Hemi Raphael and Mr. Ran Fridrich. Mr. Nehama is one of Israel's prominent businessmen and the former Chairman of Israel's leading bank, Bank Hapoalim, and Messrs. Raphael and Fridrich both have vast experience in financial and industrial businesses. These controlling shareholders, along with Ellomay's dedicated professional management, accumulated extensive experience in recognizing suitable business opportunities worldwide. Ellomay believes the expertise of Ellomay's controlling shareholders and management enables the Company to access the capital markets, as well as assemble global institutional investors and other potential partners. As a result, we believe Ellomay is capable of considering significant and complex transactions, beyond its immediate financial resources.
