Main Street Announces Semi-Annual Supplemental Cash Dividend Payable in December 2018

Supplemental Cash Dividend of \$0.275 per Share is in Addition to Regular Monthly Cash Dividends for the Fourth Quarter of 2018

HOUSTON, Oct. 11, 2018 /PRNewswire/ -- Main Street Capital Corporation (NYSE: MAIN) ("Main Street") is pleased to announce that its Board of Directors declared its semi-annual supplemental cash dividend of \$0.275 per share payable in December 2018. This supplemental cash dividend is in addition to the previously announced regular monthly cash dividends that Main Street declared for the fourth quarter of 2018 of \$0.585 per share, or \$0.195 per share for each of October, November and December 2018, and is consistent with the previous semi-annual supplemental cash dividends paid in December 2017 and June 2018. Including the regular monthly and supplemental cash dividends declared to date, Main Street will have paid \$24.235 per share in cumulative cash dividends since its October 2007 initial public offering at \$15.00 per share. Based upon the regular monthly dividend rate of \$0.195 per share for the fourth quarter of 2018 and the current semi-annual supplemental dividend rate of \$0.275 per share, Main Street's current annualized run-rate for cash dividends is \$2.89 per share. Main Street also expects that its Board of Directors will declare regular monthly dividends for the first quarter of 2019 during the last week of October.

This supplemental cash dividend, which will be payable as set forth in the table below, will be paid out of Main Street's undistributed taxable income (taxable income in excess of dividends paid) as of September 30, 2018.

When declaring dividends, the Main Street Board of Directors reviews estimates of taxable income available for distribution, which differs from consolidated net income under generally accepted accounting principles due to (i) changes in unrealized appreciation and depreciation, (ii) temporary and permanent differences in income and expense recognition, (iii) activity at taxable subsidiaries, and (iv) the amount of undistributed taxable income carried over from a given year for distribution in the following year. The final determination of taxable income for each year, as well as the tax attributes for dividends in such year, will be made after the close of the tax year. The final tax attributes for 2018 dividends are currently expected to include ordinary taxable income, capital gains and qualified dividends.

Main Street maintains a dividend reinvestment and direct stock purchase plan (the "Plan"). The dividend reinvestment feature of the Plan (the "DRIP") provides for the reinvestment of dividends on behalf of Main Street's registered stockholders who hold their shares with Main Street's transfer agent and registrar, American Stock Transfer and Trust Company, or certain brokerage firms that have elected to participate in the DRIP. Under the DRIP, if Main Street declares a dividend, registered stockholders (and stockholders holding shares through participating brokerage firms) who have not "opted out" of the DRIP by the dividend record date will have their dividend automatically reinvested into additional shares of Main Street common stock. The direct stock purchase feature of the Plan (the "DSPP") provides investors with a convenient and economical method to purchase shares of Main Street common stock. More information about the Plan (including the DSPP prospectus) can be found on the Main Street website (<https://ir.mainstcapital.com/dividend-reinvestment-and-direct-stock-purchase-plan>).
