The presentation will also be available through W&T's web site, [www.wtoffshore.com](http://www.wtoffshore.com), on the "Overview" page under the "Investors" tab.

## About W&T Offshore

W&T Offshore, Inc. is an independent oil and natural gas producer with operations offshore in the Gulf of Mexico and has grown through acquisitions, exploration and development. As of December 31, 2023, the Company had working interests in 53 fields in federal and state waters (which include 44 fields in federal waters and nine in state waters). The Company has under lease approximately 597,100 gross acres (440,000 net acres) spanning across the outer continental shelf off the coasts of Louisiana, Texas, Mississippi and Alabama, with approximately 435,600 gross acres on the conventional shelf, approximately 153,500 gross acres in the deepwater and 8,000 gross acres in Alabama state waters. A majority of the Company's daily production is derived from wells it operates. For more information on W&T, please visit the Company's website at [www.wtoffshore.com](http://www.wtoffshore.com).
