

## CLEVELAND WORKS FACT SHEET

Cleveland Works is an integrated steelmaking facility strategically located on the Cuyahoga River in Cleveland, Ohio, with good access to the Port of Cleveland and Great Lakes shipping, as well as excellent highway and railroad transport. The Cleveland facility is supplied with coke from our cokemaking operations in Warren, Ohio and Monessen, PA. Cleveland's major production facilities include two blast furnaces, two steel producing facilities, an 84-inch hot strip mill, a pickling line, a five-stand tandem mill, and a hot dip coating line.
