FIBRA Prologis Recognized as Sustainability Leader in ESG Rankings

MEXICO CITY, Nov. 23, 2021 /PRNewswire/ -- FIBRA Prologis (BMV:FIBRAPL 14), a leading owner and operator of Class-A industrial real estate in Mexico, was listed for the 5th consecutive year on the S&P Dow Jones Sustainability MILA Pacific Index and was named Sector Leader by the Global Real Estate Sustainability Benchmark (GRESB) for outstanding performance in environmental stewardship, social responsibility and governance (ESG).

GRESB recognizes outstanding leadership in sustainability for real estate companies and funds. FIBRA Prologis was ranked first in its peer group earning Green Star and recognized as a Regional Listed Sector Leader for the industrial sector in the Americas.

For the fifth consecutive year, FIBRA Prologis was included in the S&P Dow Jones Sustainability MILA Pacific Index which is designed to measure best-in-class companies that fulfill certain sustainability criteria better than the majority of their peers within a given industry.

"FIBRA Prologis' repeats inclusion on these prestigious lists, which reflects our ongoing commitment to strong ESG practices. Our platform allows us to add significant value to our stakeholders," said Luis Gutierrez, CEO, Prologis Property Mexico. "We are eager to go forward on our ESG journey and will continue to promote sustainable operations, grow with our community, provide high quality work conditions and transparency with our shareholders."

FORWARD-LOOKING STATEMENTS

The statements in this release that are not historical facts are forward-looking statements. These forward-looking statements are based on current expectations, estimates and projections about the industry and markets in which FIBRA Prologis operates, management's beliefs and assumptions made by management. Such statements involve uncertainties that could significantly impact FIBRA Prologis financial results. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," variations of such words and similar expressions are intended to identify such forward-looking statements, which generally are not historical in nature. All statements that address operating performance, events or developments that we expect or anticipate will occur in the future — including statements relating to rent and occupancy growth, acquisition activity, development activity,

disposition activity, general conditions in the geographic areas where we operate, our debt and financial position, are forward-looking statements. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict. Although we believe the expectations reflected in any forward-looking statements are based on reasonable assumptions, we can give no assurance that our expectations will be attained and therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. Some of the factors that may affect outcomes and results include, but are not limited to: (i) national, international, regional and local economic climates, (ii) changes in financial markets, interest rates and foreign currency exchange rates, (iii) increased or unanticipated competition for our properties, (iv) risks associated with acquisitions, dispositions and development of properties, (v) maintenance of real estate investment trust ("FIBRA") status and tax structuring, (vi) availability of financing and capital, the levels of debt that we maintain and our credit ratings, (vii) risks related to our investments (viii) environmental uncertainties, including risks of natural disasters, (ix) risks related to the coronavirus pandemic, and (x) those additional factors discussed in reports filed with the "Comisión Nacional Bancaria y de Valores" and the Mexican Stock Exchange by FIBRA Prologis under the heading "Risk Factors." FIBRA Prologis undertakes no duty to update any forward-looking statements appearing in this release.

Non-Solicitation - Any securities discussed herein or in the accompanying presentations, if any, have not been registered under the Securities Act of 1933 or the securities laws of any state and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements under the Securities Act and any applicable state securities laws. Any such announcement does not constitute an offer to sell or the solicitation of an offer to buy the securities discussed herein or in the presentations, if and as applicable.
