# 1Minuut Innovation Places Further Follow-On Orders for Vuzix M400 Smart Glasses as it Prepares to Deploy its 500th Unit to Support Healthcare and COVID-19 Needs in the Netherlands

ROCHESTER, N.Y., Jan. 26, 2021 /PRNewswire/ -- [Vuzix® Corporation](#) (NASDAQ: VUZI), ("Vuzix" or, the "Company"), a leading supplier of Smart Glasses and Augmented Reality (AR) technology and products, today announced the Company has recently received a new follow-on commercial order for M400 Smart Glasses from Dutch medical services company 1Minuut Innovation. The latest order from 1Minuut Innovation is for immediate delivery to elderly care organizations to meet urgent COVID-19 remote healthcare needs in the Netherlands and will push the number of M400 Smart Glasses in the field deployed with 1Minuut's Genzō software suite to over 500 units.

1Minuut's main focus is to deliver highly secured video streaming and recording through their Genzō mobile software platform. Genzō facilitates an easy-to-use, safe and mobile communications platform to chat or video call using Vuzix Smart Glasses, helping to deliver medical expertise across multiple use cases in healthcare including patient monitoring, wound care and training. The shared Point of View (PoV) of the care practitioner wearing the Vuzix Smart Glasses makes it easy for external highly skilled colleagues to give help.

"1Minuut continues to be a trailblazer within the healthcare industry through the creation and evolution of their Genzō mobile platform and now with our M400 Smart Glasses, to deliver new telemedicine experiences that improve both the quality and speed of patient care," said Paul Travers, Vuzix President and Chief Executive Officer. "Vuzix looks forward to supporting 1Minuut's efforts as they continue to roll out their Vuzix Smart Glasses-based solution across the Dutch healthcare industry and positively impact the care of patients in need."
