Vuzix and TeleVU Webinar Will Highlight Smart Glasses Harnessing the Power of AR and AI in Virtual Healthcare

"Removing Geographical Barriers to Delivering Specialized Care with Vuzix and TeleVU" webinar to be held November 30th, 2021

ROCHESTER, N.Y., Nov. 19, 2021 /PRNewswire/ -- [Vuzix® Corporation](#) (NASDAQ: VUZI), ("Vuzix" or, the "Company"), a leading supplier of Smart Glasses and Augmented Reality (AR) technology and products, will be hosting a webinar with TeleVU Innovation ("TeleVU"), a Canadian Tech company developing user-friendly communication solutions for smart glasses that provide a secure, live audio-visual link between frontline clinicians and remote experts anywhere in the world.

Healthcare settings are complex, and clinicians need to focus on the delivery of care to their patients. Join this webinar to learn how a simple, intuitive, and plug' n play solution helps clinicians support their peers remotely and deliver patient care close to home.

Attendees will learn how clinicians use TeleVU and Vuzix to treat their patients, run through digital workflows, remotely connect to medical device screens, and deliver medical education. TeleVU-Vuzix' scalable Remote Medical Assistance solution is designed for broad array of use cases, whether during a complex surgical procedure or a simple clinic visit.

Webinar agenda:

- Company overview

- Technology demo
- Use cases in healthcare settings from the North Pole to Mozambique
- How to get started with TeleVU

Interested parties that would like to learn more can register for this webinar via the link below.

Date: November 30, 2021

Start Time: 11am ET
