Vuzix and ProGlove to Jointly Demonstrate Hands-Free Scanning Solution at Modex 2022

Warehouse demo will feature Vuzix M400 smart glasses and ProGlove scanner

ROCHESTER, N.Y., March 15, 2022 /PRNewswire/ -- [Vuzix® Corporation](#) (NASDAQ: VUZI), ("Vuzix" or, the "Company"), a leading supplier of Smart Glasses and Augmented Reality (AR) technology and products, today announced that the Company will be showcasing its M400 smart glasses at Modex 2022 taking place March 28–31 in Atlanta, GA. Vuzix will join ProGlove in their booth at this event to jointly demonstrate warehouse use cases using ProGlove scanners and Vuzix smart glasses.

ProGlove's award-winning, wearable barcode scanners empower the human worker to get more done with less effort. Years of research deliver the best-of-breed wireless, wearable technology. The right fit, form, and function ensure the edge organizations' need to stay ahead of the competition. Vuzix smart glasses provide a powerful hands-free wearable solution that offers a bright, unobtrusive display with expansive field of view, a user-centered ergonomic design, diverse mounting options, collaborative video streaming and integration with top conferencing platforms such as Microsoft Teams, Zoom, and WebEx.

"Our collaboration with Vuzix is a passionate yet convincing plea for the benefits of wearable technology," said Andreas Koenig, CEO for ProGlove. "Our shared mission to allow for hands-free warehouse operations is the driver that lets us do exceptional things. Take [the Mercedes Benz Vans use case](#): Our combined technology now enables faster, safer, and more efficient processes where workers used to stand at warehouse shelves with pen and paper. This does not only allow for substantial gains, but also contributes to empowering and relieving the shop floor workers."

"We are thrilled to be working with ProGlove to provide a powerful combination of industry-leading wearable technologies for a completely hands-free product offering for the enterprise worker across a number of key verticals including retail, warehousing, manufacturing, and logistics," said Paul Travers, Vuzix President and Chief Executive Officer.

At Modex 2022, Vuzix and ProGlove will be located at Booth # C7694 at the Georgia World Congress Center.
