Mr. Gonzalez will take the stage at the Changemaker Series featuring thought leaders on the forefront of change. He speaks Saturday, **September 11, 2021, from 11 - 12pm**, in West Hall 3. He will address how deep learning is transforming healthcare by leveraging AI tools to predict and anticipate health events which lowers health plan costs and improves health outcomes for

members. Attendees will be able to view the presentation live or virtually. Other speakers include Olympic swimmer Michael Phelps and Burt Jacobs, the co-founder of Life is Good.

“The executives attending SHRM make the health insurance decisions that lead to better plans and better care. I am excited to share how deep learning is transforming passive health plans into active health empowerment tools that ultimately deliver better outcomes and lower costs,” says Edmundo Gonzalez. “I’ve gone to this conference many years and it is a tremendous event. These people are shaping healthcare for the 156 million Americans

covered by employer-sponsored plans and are very important to us.” says Marpai COO Ronnie Brown, “

In addition to presenting at the conference, Marpai will be exhibiting at SHRM21 in booth #16009.

### **Forward-looking Statements**

This press release contains forward-looking statements, as that term is defined in the Private Litigation Reform Act of 1995, that involve significant risks and uncertainties, including statements regarding anticipated fourth-quarter results. Forward-looking statements can be identified through the use of words such as “anticipates,” “expects,” “intends,” “plans,” “believes,” “seeks,” “estimates,” “may,” “will,” “should,” “goal” and variations of these words or similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which reflect Marpai’s current expectations and speak only as of the date of this release. Actual results may differ materially from Marpai’s current expectations depending upon a number of factors. These factors include, among others, adverse changes in general economic and market conditions, competitive factors including but not limited to pricing pressures and new product introductions, uncertainty of customer acceptance of new product offerings and market changes, risks associated with managing the growth of the business. Except as required by law, Marpai does not undertake any responsibility to revise or update any forward-looking statements.
