Definium Therapeutics, Inc. Announces Proposed Public Offering

NEW YORK--(BUSINESS WIRE)-- **Definium Therapeutics, Inc.** (Nasdaq: DFTX) (the "Company" or "Definium"), a late-stage clinical biopharmaceutical company developing a new generation of therapeutics intended to address underlying causes of psychiatric and neurological disorders, today announced that it intends to offer and sell, subject to market conditions, \$500 million of its common shares and, to certain investors, pre-funded warrants to purchase common shares in an underwritten public offering. In addition, Definium intends to grant the underwriters an option for a period of 30 days to purchase up to \$75 million of its common shares at the public offering price, less underwriting discounts and commissions. All of the common shares and pre-funded warrants are being offered by Definium.

Definium intends to use the net proceeds from this offering for the research and development of its product candidates, preparation activities for potential commercialization of DT120 ODT, if approved, and working capital and general corporate purposes.

J.P. Morgan, Jefferies, Leerink Partners, and BofA Securities are acting as the joint lead bookrunners for the offering, with Evercore ISI and Stifel also acting as bookrunners for the offering. Oppenheimer & Co. and LifeSci Capital are acting as co-lead managers for the offering. The offering is subject to market conditions and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering. No distribution under the offering shall occur in Canada or to a person resident in Canada.

The securities in the offering are being offered by the Company pursuant to a shelf registration statement on Form S-3 (File No. 333-280548) that was filed with the Securities and Exchange Commission ("SEC") on June 28, 2024 and became effective upon filing. The securities will be offered by means of a prospectus supplement and accompanying prospectus relating to the offering that form a part of the shelf registration statement. A preliminary prospectus supplement and the accompanying prospectus relating to and describing the terms of the offering will be filed with the SEC and SEDAR+ and will be available on the SEC's website at www.sec.gov and on SEDAR+'s website at www.sedarplus.ca. Forward-Looking Statements

Certain statements in this press release related to the Company constitute "forward-looking information" within the meaning of applicable securities laws and are prospective in nature. Forward-looking information is not based on historical facts, but rather on current expectations and projections about future events and is therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. These statements generally can be identified by the use of forward-looking words such as "will," "may," "should," "could," "intend," "estimate," "plan," "anticipate," "expect," "believe," "potential" or "continue," or the negative thereof or similar variations. Forward-looking information in this press release includes, but is not limited to, the uncertainties related to market conditions, the intended use of proceeds, the filing of the preliminary prospectus supplement and the accompanying prospectus relating to the offering and the completion of the offering on the anticipated terms or at all. There can be no assurance that this offering will close and the Company will receive the net proceeds therefrom. There are numerous risks and uncertainties that could cause actual results and the Company's plans and objectives to differ materially from those expressed in the forward-looking information, including market conditions and satisfaction of the customary closing conditions for the offering. These forward-looking statements are based on the Company's current expectations, estimates, forecasts and projections about the offering, the Company's business and the industry in which it operates and management's beliefs and assumptions, including the satisfaction of all customary closing conditions and the non-occurrence of the risks and uncertainties that are described in its filings made with the SEC and the applicable Canadian securities regulators or other events

occurring outside of its normal course of business, and are not guarantees of future performance or development and involve known and unknown risks, uncertainties and other factors that are in some cases beyond its control. Except as required by law, the Company undertakes no duty or obligation to update any forward-looking statements contained in this release as a result of new information, future events, changes in expectations or otherwise.
