The event will be jam-packed with workshops, breakout sessions and deep dives into the product as well as dozens of on-demand resources including case studies, ebooks, blog posts and more to help attendees better utilize the Weave product, build

meaningful engagement strategies and optimize business operations.

The virtual event is free and will provide attendees with the chance to connect with other Weave users, hear from key leaders within the organization and learn from industry influencers. Experts will share insightful tips and tricks, learn about brand-new Weave solutions, and find out how to create an even better experience for everyone in your office — both patients and staff.

“At Weave, one of our core values is The Customer Is Everything,” said Branden Neish, Chief Product Officer of Weave. “As we’ve added new products and features like Insurance Verification, Payments, Digital Forms, and Online Scheduling to our all-in-one platform, we’re making a larger commitment to helping our users realize even more value from Weave. Connecting with other users, getting key updates from our Customer Support and Training teams, and learning about some of our latest platform additions is all about investment in our loyal, hard-working and growing customer base.”
