# **Energous to Hold Company Update Conference Call on Wednesday, January 20 at 1:15 p.m. PT**

## **Management to Address Misinformation About Company's Technology and Direction**

SAN JOSE, CA -- (Marketwired) -- 01/19/16 -- Energous Corporation ("Energous®" or "the Company") (NASDAQ: WATT), the developer of WattUp™, a revolutionary wire-free charging technology for mobile and IoT devices that provides "over-the-air" power at a distance, today announced that it will hold a conference call at 1:15 p.m. PT on Wednesday, January 20 to provide a company update and address misinformation about the company's technology and direction.

Interested parties can access the call by dialing 866-652-5200 within the United States or 412-317-6060 from international locations and asking to be connected to the Energous Corporation conference call. Please dial in at least 10 minutes before the call to ensure timely participation. The call will also be broadcast on the Energous website at [www.energous.com](http://www.energous.com).

For those unable to attend the live call, a replay will be available through January 27, 2015 by dialing 877-344-7529 within the United States or 412-317-0088 from international locations, using conference ID 10079646.

### ***About Energous Corporation***

Energous Corporation (NASDAQ: WATT) is developing WattUp, an award-winning wire-free charging technology that will transform the way people and industries charge and power their electronic devices at home, in the office, in the car and beyond. WattUp is a revolutionary, patent-pending solution that delivers intelligent, scalable power via the same radio bands as a Wi-Fi router. WattUp differs from current wireless charging systems in that it will deliver meaningful, usable power, at a distance, to multiple devices, resulting in a wire-free experience that saves users from having to remember to plug in their devices or place them on a mat. For more information, please visit [Energous.com](http://Energous.com), or follow Energous on [Twitter](#) and [Facebook](#).

### ***Safe Harbor Statement***

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended that are intended to be covered by the "safe harbor" created by those sections. Forward-looking statements, which are based on certain assumptions and describe our future plans, strategies and expectations, can generally be identified by the use of

forward-looking terms such as "believe," "expect," "may," "will," "should," "could," "seek," "intend," "plan," "estimate," "anticipate" or other comparable terms. All statements in this release that are not based on historical fact are "forward looking statements". While management has based any forward looking statements included in this release on its current expectations, the information on which such expectations were based may change. Forward-looking statements involve inherent risks and uncertainties which could cause actual results to differ materially from those in the forward-looking statements, as a result of various factors including those risks and uncertainties described in the Risk Factors and in Management's Discussion and Analysis of Financial Condition and Results of Operations sections of our most recent annual report on Form 10-K and any subsequent quarterly reports on Form 10-Q. We urge you to consider those risks and uncertainties in evaluating our forward-looking statements. We caution readers not to place undue reliance upon any such forward-looking statements, which speak only as of the date made. Except as otherwise required by the federal securities laws, we disclaim any obligation or undertaking to publicly release any updates or revisions to any forward-looking statement contained herein (or elsewhere) to reflect any change in our expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.
